After-sales warranty:

Each product has been tested and found to comply with the Rohs for Class B, detail documentation is up to 30 of the EU. Rohs: Restriction of the use of certain hazardous substances in electrical and electronic equipment. Speediance guarantees that the product is free from defects in material and workmanship for a period of one year from the date of purchase. This warranty does not cover any damage or defects caused by misuse, abuse, improper installation, or unauthorized modifications. The warranty does not cover consumable parts or cosmetic wear and tear. To initiate a warranty claim, please contact our customer service team with your purchase receipt and a detailed description of the issue. We may require you to provide photos or videos of the product for further assessment. If the warranty claim is approved, we will arrange for the repair or replacement of the product at our discretion. The customer is responsible for the shipping costs associated with returning the product for warranty service.

Limitation of liability
Speediance's liability for any claim arising from the purchase or use of its products is limited to the purchase price of the product.

Consumer rights
This warranty does not affect your statutory rights as a consumer under applicable laws.

Product modifications
Speediance reserves the right to modify the warranty terms and conditions for future product releases.

Third-party components
The warranty does not cover issues arising from the use of third-party components or accessories not approved by Speediance.

Force majeure
Speediance is not liable for any delay or failure in fulfilling warranty obligations due to force majeure events, including but not limited to natural disasters, wars, strikes, or government actions.

Warranty transfer
The warranty is non-transferable and applies only to the original purchaser.

Warranty claim process
