

1. Antenna Description:

Antenna type	Loop coil antenna
Model	MI-QIS11
Frequency range	110KHz - 205KHz
Manufacturer	Shenzhen DXR Electronic Technology Co., Limited (Dongguan Branch)
Address	4th Floor, #5 Building, #189, Yongji Industrial, Zhuweitian, Fenggang Town, Dongguan China
ANT Peak Gain	0dBi

2. Antenna Photo:

We statement that All measurements were performed radiated and therefore additional antenna gain documentation is not required.
