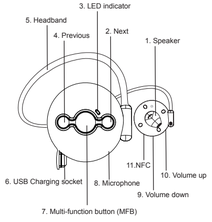
(10). Volume up
(11). NFC



What's in the box -

Avantree Jogger Plus
Micro USB charging cable
Silicone earbuds
Carrying pouch
User manual

2. Working with mobile phone

It is important to pair the headset with your Bluetooth enabled mobile phone for first time use.

2.1 Pairing procedure:

Step 1: Ensure the headset is off.
Step 2: Press and hold the MFB button (about 3 - 5 seconds) until the LED blinks blue and red alternately.
Step 3: Active Bluetooth on your phone and select "Avantree Jogger Plus"

Once paired and connected, the headset will be automatically connected to your phone whenever you turn the headset on again, provided your phone is within range.

2.2 Connect with NFC enabled mobile phone

Step 1: Make sure NFC function is turned on from your phone and that the screen is active and unlocked.
Step 2: Hold the NFC mobile phone against the NFC zone of the headset (the NFC logo)

Note:
Since NFC antenna is located in different position of phone. It is helpful to know the position for last paring. For details on NFC, see your phone's user manual.

3. Working with two mobile phones simultaneously

Step 1: Connect headset with the first phone as above. Then turn off the headset.
Step 2: Connect headset with the second phone as above.
Step 3: Tap and select "Avantree Jogger Plus" on the first phone to connect it.
Step 4: Now the headset has connected with the two phones simultaneously.

4.How to use

Button	Function	Operation
MFB	On / Off	Press and hold MFB 2s
	Answer a call	Press MFB once
	End a call	Press MFB once
	Reject a call	Press and hold MFB 1s
	Redial last number	Double click MFB
	Play / Pause music	Press MFB once
V+	Volume up	Press and hold "V+"
V-	Volume down	Press and hold "V-"
Next	Next track	Press "Next" once
Previous	Previous track	Press "Previous" once

5.Working with a PC or Laptop

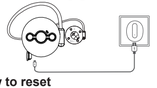
5.1Pairing procedure:

Step1: Turn Jogger Plus off (press and hold MFB button for 2s)
Step2: Press and hold MFB button for 3 - 5s until LED indicator flashes blue and red alternately.
Step3: Active Bluetooth on your PC/notebook and select "Avantree Jogger Plus".

Note:
Make sure PC/notebook is Bluetooth enabled and supports A2DP profile, otherwise you may need a Bluetooth audio adapter to add the feature on PC / notebook that do not. For details on how to set up with PC / notebook, please see support.avantree.com.

6.How to charge

When battery power is low, the LED indicator will flash red once every 0.5s and a beep sound will come up every 30s. Please charge your headphone. Please remove the micro-USB protector and charge the headphones via the supplied USB to AC adapter or PC USB port. It normally takes about 2.5 hours to fully charge the battery. The LED will indicate red when charging and will turn off when charging is complete.



7. How to reset

You may need to reset Jogger Plus if it is not working as expected. Under standby mode, press and hold the "Next" button for 6s until the indicator flashes red and blue once, and then power it off manually. Now your Jogger Plus has been restored to its default settings. After powered on again, it will enter pairing mode directly.

8. Product Specification

- Bluetooth V4.0 with EDR
- Support profiles: HFP, HSP, A2DP, AVRCP
- Operational range: Class 2, 10 meters
- Battery: 140mAh rechargeable lithium battery
- Talk time: up to 9hrs
