# Federal Communications Commission (FCC) Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

**Warning:** Changes or modifications made to this device not expressly approved by **GTB Global Trade Berlin GmbH** may void the FCC authorization to operate this device.

**Note:** The manufacturer is not responsible for any radio or tv interference caused by unauthorized modifications to this equipment. Such modifications could void the user’s authority to operate the equipment.

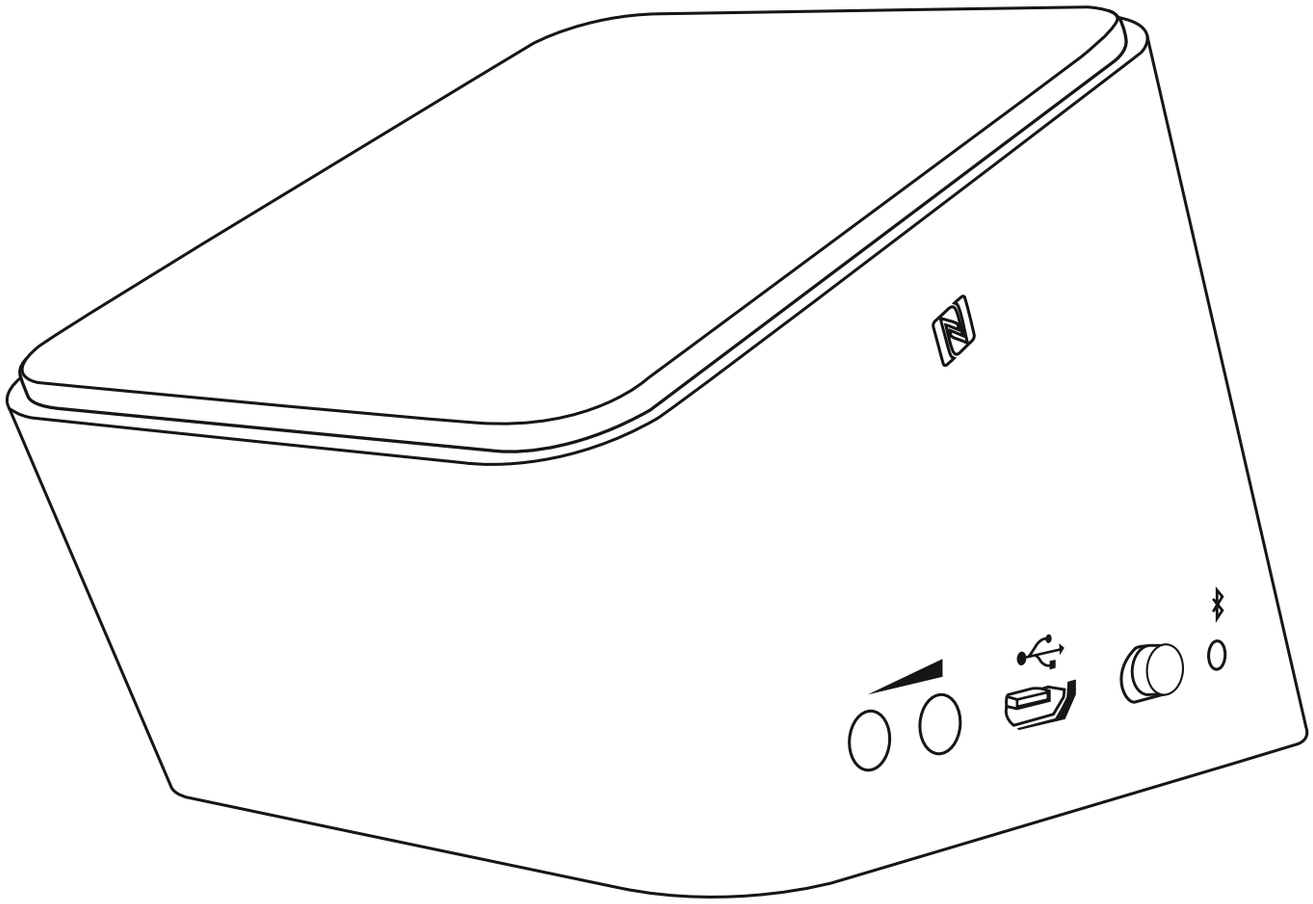
## WELCOME TO WHITE DIAMONDS

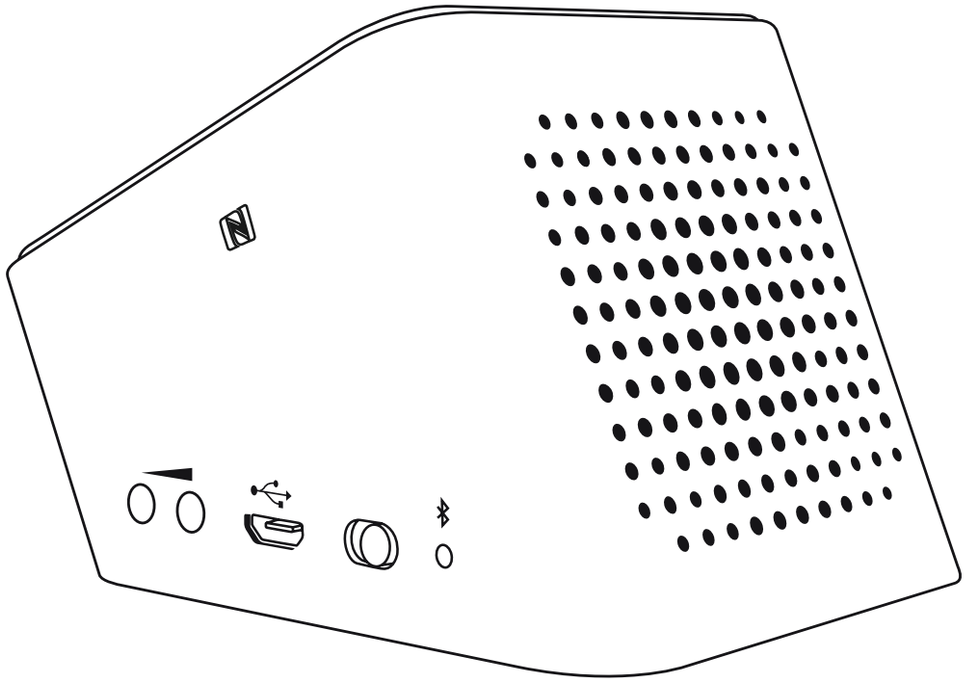
Experience WHITE DIAMONDS' brand new WIRELESS PORTABLE SPEAKER – musical enjoyment anytime, anywhere.

The ultra-portable design in pocket size and the combination of high-quality materials with a great hand feel are engineered for exceptional clarity of sound. A powerful built-in amplifier gives a surprinsingly loud volume and balanced sound. Up to 6 hours wireless playback of the speaker enabled by a high-capacity rechargeable battery.

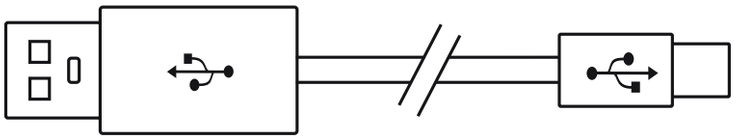
WHITE DIAMONDS wishes you much fun with your new product.

# WIRELESS PORTABLE SPEAKER





Your speaker comes with a micro-USB charging cable.



USB plug micro-USB plug

## PRODUCT INSTRUCTION

**Charge the speaker:** Insert one side of the charging cable into the micro-USB port of the speaker. Insert the other into the USB port of your PC.
A blue LED will indicate that the speaker is charging.

**Bluetooth connection:** The speaker works with all smartphones, tablets and computers with Bluetooth function. It's compatible with all audio players featuring Bluetooth 4.0 or lower version.

Your Bluetooth device should be able to find the speaker named “WD Speaker”. Select the speaker in your Bluetooth menu. When paired select the song of your choice and press play!
