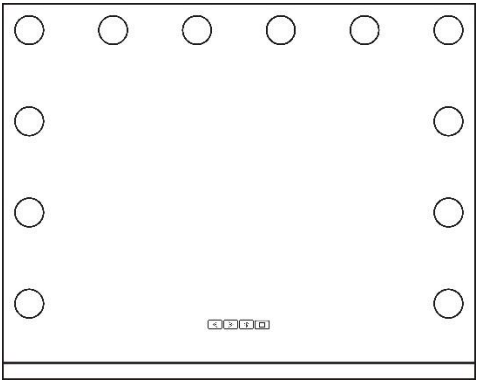
USER MANUAL FOR VANITY MIRROR



WBK-5846BT-12D

Thank you for buying the Hollywood Mirror, Read the manual in English

For your safety and continued enjoyment of this product, always read the instruction book carefully before using.

Website: www.HollywoodMirror.net, Email: service@HollywoodMirror.net

Important Safety Instructions:

These instructions are provided for your safety. It's very important that they are read carefully and completely before assembly and installation of this vanity mirror.

- **INDOOR USE ONLY**
- Only use with supplied transformer & hardware.
- Unplug the transformer from the power outlet when the product is not in use.
- If any abnormal condition occurs, unplug the lighted mirror, allow it to cool, and return it to manufacturer for examination and repair.
- **Keep these instructions for future use.**

DANGER/WARNINGS:

This is an electric product not a toy! To avoid risk of fire, burns, personal injury and electric shock, be sure to:

- **Handle with care! Never place upright on a hard surface when unpacked, like tile floor. Always lay it on soft surface.**
- **Avoid placing it around metal objects such as keys, pocket change, paper clips, and jewelry.**
- **Protect the unit and accessories from impacts, moisture, dirt, large temperature fluctuations and direct sunlight.**
- **Do not spill liquid on the removed lamp unit or do not place it near any flammable object or where children can reach to prevent injuries or fire.**
- **Never operate this mirror if it has a damaged cord or plug, if it is not working properly, if it has been dropped or otherwise damaged, or submersed in water. Return unit to manufacturer for examination and repair.**

PLEASE CAUTION:

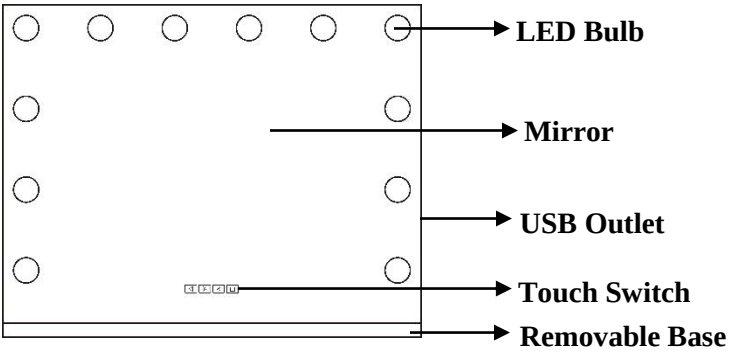
IF YOU THINK THE POWER IS OFF WHEN THE SWITCH IS OFF, YOU'RE WRONG.

Electricity and water are a dangerous combination. But did you know that an electrical appliance is still electrically live even if the switch is off? If the plug is in, the power is on. So when you are not using your appliances, keep them unplugged.

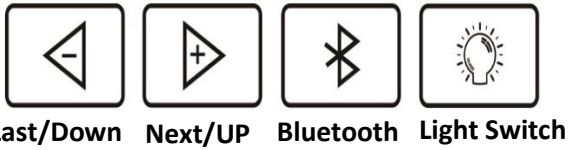
Keep away from water and meltable materials.

ALWAYS UNPLUG SMALL APPLIANCES!

Hollywood Mirror Constructions & Operations



How to operate the Touch Switch?

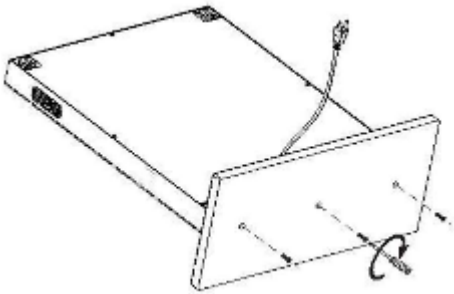


LIGHTING CONTROL --- Tap once to turn on the light, tap again to change lighting color (cool white, day light and warm yellow), then tap to turn off the light, long press to adjust brightness,

BLUETOOTH SPEAKER:

1. Turn on: Press button to turn on Bluetooth Speaker, with a beep voice and the indicator light starts to flash quickly, the Bluetooth can be searched.
2. Bluetooth Connection: Turn on the Bluetooth of your phone and search for the device name of "K3030" to connect. Heard a beep voice and the light flash slowly, then the phone can sync to the Bluetooth Speaker to play music.
3. Bluetooth Adjustment: Tap or to play LAST or NEXT music. Long Press or to turn VOLUME DOWN or UP
4. Turn Off: Press turn off the Bluetooth Speaker function.

How to hang the Mirror on the wall?



Applicable ONLY for mirror model with hanging wall hole.

1. Prepare the installation tools: tape measure, impact drill, screwdriver, hammer, vise.
2. Please make sure that the wall is a load-bearing wall that can withstand the weight of the mirror.

INSTALLATION TOOLS TO PREPARE

3. Installation steps:

a) Screw those screws out of the base and separate the base from the mirror.

b) Measure the distance between the two hanging holes behind the mirror.

c) According to the measured distance, punch the hole with a percussion drill, the drilling depth is 5cm.

d) Make sure the screws on the wall are strong enough to support the mirror, then carefully hang the Mirror against the screws on the wall.

NOTE: INSTALLATION TOOLS & HANGING SCREWS ARE NOT INCLUED IN PACKAGE.

CLEANING & MAINTENANCE:

- Always unplug the mirror before cleaning.
- Do not immerse the mirror in water or any other liquid when cleaning.
- Do not use harsh or abrasive cleaners or furniture polish on mirror surface or any portion of the base.
- Clean the mirror with any dry soft cloth. Slightly moisten cloth with water. A damp cloth holds dust, wipe sudden blot spills and prevents scratching.
- Hardware may loosen over time. Periodically check to make sure all connections are tight. Re-tighten if necessary.

STORAGE GUIDES:

- If mirror is not in use, disconnect from electrical outlet.
- BE SURE DIRECT SUNLIGHT WILL NOT STRIKE MIRROR WHEN LEFT UNATTENDED (reflected sunlight may cause fire).
- Allow to cool to room temperature before storing.
- Place in cool, dry area out of reach of children, and where it will not be damaged.
- Handle cord carefully for longer life. Do not jerk or strain at plug connections or wrap cord around mirror for storage. This could cause the cord to become damaged and short-circuit. To store mirror coil cord loosely, starting at the appliance, and place cord in large loops next to mirror or secure cord with a twist tie.

100% Quality Guarantee & 1-Year Limited Warranty!

We offer a 1 Year limited warranty from date of purchase against defects in materials and workmanship. This warranty does not include damage to the product as a result of misuse or accident. Should your product become defective during the warranty period, we will repair or replace (at our sole discretion) your product, at no charge.

READ ALL INSTRUCTIONS PRIOR TO INSTALLATION AND USE.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.

- Increase the separation between the equipment and receiver.

-Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

-Consult the dealer or an experienced radio/TV technician for help

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) this device may not cause harmful interference, and

(2) this device must accept any interference received, including interference that may cause undesired operation.
