Solder Board-Component View 2	 A photograph of a green printed circuit board (PCB) component, labeled 'Solder Board-Component View 2'. The component is rectangular with a complex pattern of soldered traces and components. It is placed on a blue textured surface. A metal ruler is positioned vertically to the left of the component, showing a scale from 1 to 9 cm. Another metal ruler is positioned horizontally below the component, showing a scale from 1 to 9 mm. The component has several pins or connectors on its right side, labeled 'IR', 'G', 'VDD', 'G', 'R', 'B', and 'L+'. There are also labels 'GND' and 'VCC' on the left side of the component.
Antenna View	 A photograph of the same green PCB component, labeled 'Antenna View'. The component is shown from a different angle, highlighting the antenna structure. A red box is drawn around a specific area on the component, and a red line points from the text '2.4G Antenna' to this box. The component is placed on a blue textured surface. A metal ruler is positioned vertically to the left of the component, showing a scale from 1 to 9 cm. Another metal ruler is positioned horizontally below the component, showing a scale from 1 to 9 mm.
