Solder Board-Component View 3	 A photograph of a blue printed circuit board (PCB) populated with various electronic components, including integrated circuits, capacitors, and resistors. The board is placed on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the board, showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). A yellow component is visible at the bottom of the board.
Antenna View	 A photograph of a black, octagonal-shaped wireless router or access point with four external antennas. The device is placed on a blue textured surface. Two red lines originate from labels: one from 'WIFI 5G ANT' at the top left pointing to the top-left antenna, and another from 'WIFI 2.4G ANT' at the bottom left pointing to the bottom-left antenna.
