MATTERS NEEDING ATTENTION

1. Product one-button control: switch on/off/light color switch.
2. The product comes in three light colors and one breath light mode.
3. The flowers in the product are true plant flowers, which can be placed for about 2 years with little change after special treatment. (Because it is a real flower, it is normal for a few petals to fall off)
4. Do not drop, to avoid product damage caused by falling.
5. Do not disassemble, repair or transform this product by yourself.

SOLUTIONS TO COMMON PROBLEMS

1. After playing for a long time, the audio automatically shuts down:
The power is insufficient, please connect the external USB power adapter and use it after charging.
2. When connecting Bluetooth to play music, there is a delay:
Confirm whether the valid connection distance of the Bluetooth device is exceeded, or there is an obstacle between the Bluetooth device and the Bluetooth device.
3. Pairing unsuccessful:
a. Check whether the Bluetooth device is in the search state, or restart the stereo.
b. There are too many Bluetooth devices around, which makes it difficult to search. Please turn off other Bluetooth devices and search the connection again.
