Don't put the headset under extremely high or low temperatures. The optimal storage temperature range is from - 10℃ to + 60℃, otherwise the service life of the headset will be influenced.
Don't expose the headset to open fire, to avoid explosion hazard.
Don't contact the headset with sharp objects as they may cause a scratch or damage.
Don't insert any objects into the headset, for they may damage internal components.
Don't attempt to disassembly the headset
In case of no use for a long time, please be sure to store it in a dry place. If it is not used for more than one month, please charge the headset on time in order to protect the performance of the battery and headset. Please be far away from the dusty place or where the temperature changes a lot.

感谢你使用变形金刚

变形金刚蓝牙耳机，采用创捷芯片，革命性的突破。变形金刚拥有更强大的语音识别能力，超前的人性化智能体验，快人一步的享受光滑的机身、简约的操作、时尚的风格。卓越品质，至尊专享，是您最好的选择。
在使用蓝牙耳机之前，您须给耳机充满电，并通过您选定的蓝牙设备配对连接。

规格及特征

蓝牙版本：V4.1+EDR
蓝牙协议：A2DP、AVRCP、Headset、Handsfree
频率范围：2400.0-2483.5MHz
工作范围：10米
通话时间：约6小时
待机时间：约90小时
充电时间：约2小时

Troubleshooting

If you are unable to connect the headset with your mobile phone, please try the following steps:
Make sure that the headset has been powered on and has been fully charged.
Make sure that the headset is matched with your mobile phone.
Make sure that Bluetooth function of mobile phone is activated.
Make sure that the headset is not blocked by any obstacles when moving.
If above steps are still unable to solve the trouble, please recharge the headset or power off your mobile phone, then take out the battery and turn it on again.
If there is voice interrupted during use, please try the following steps: - Make sure that the headset is not blocked by any obstacles when connecting with the mobile phone. -Please turn off the headset and mobile phone, and remove the Bluetooth devices which are recorded in the mobile phone.
- Please restart the headset and mobile phone and make them match again.
-The above operations are able to solve the trouble.
Maintenance and Repair
Turn off the headset before putting it in your pocket or bag, to avoid pressing on function key of headset by accident.
Don't expose the headset to liquids or moist places.
Don't use abrasive solvent to clean the headset.

Volume Down	Short Press "-" key (15 Levels)	Short Press "-" key to decrease the Volume when the headset is in music playing state or call state.	Blue LED flashes once in 5 seconds (connection state)
Next Track	Long Press "+" key	Long Press "+" key to jump to the next track when it is playing music.	Blue LED flashes once in 5 seconds (connection
Previous Track	Long Press "-" key	Long Press "-" to skip to the previous track when it is playing music.	Blue LED flashes once in 5 seconds (connection state)

疑难排解

若您未能将耳机和移动电话连接上，请尝试以下步骤；
---确保耳机已被启动及已完全充电。
---确保耳机已与移动电话配接。
---确保移动电话的蓝牙功能已被启动。
---确保耳机在移动并没有障碍物阻隔。
●若以上步骤仍未能排解疑难，请将耳机充电，或将您的移动电话关机.取出电池再次重开机。
使用过程中出现声音断续，请尝试以下步骤：
--确保耳机与移动电话连接并没有障碍物阻隔。
--请将耳机和移动电话关机，并清除移动电话里配对过的蓝牙设备。
--请将耳机和移动电话重新启动，进行重新配对。
--进行以上操作即可解决声音断续。

保养及维修

---将耳机放在口袋或袋子前，先关掉耳机，避免意外按下耳机功能键.
---切勿将耳机暴露在液体或潮湿的地方。
---切勿使用研磨性溶剂清洁耳机。
---切勿将耳机放置在温度极高或极低的地方，最佳存放环境为-10℃到+60℃，否则会影响耳机的使用寿命。
---切勿将耳机暴露在明火之中，避免爆炸危险。
---切勿将耳机接触尖锐对象，会造成刮痕或损毁。
---切勿将任何物件插入耳机内，会损毁内部组件。
---切勿尝试拆卸耳机。
●如果长时间不使用耳机，请确保放置在干燥的地方，若放置超过一个月要按时给予充电，以保证电池及耳机的工作性能。并远离温度变化很大及多尘的地方。

Thanks for using Transformer.
Transformer Bluetooth Headset adopts jaguar chip, which is a revolutionary breakthrough. It has more powerful voice recognition capacity and provides advanced experience of human intelligence. Choose it, and you can enjoy the smooth machine frame one step ahead and experience its simple operation and the fashionable style.
With Excellent Quality and Exclusive Privilege for the Supreme, Transformer Bluetooth Headset is your best choice.
Before using the Bluetooth headset, you should give the headset on a
full charge, and match connection through the Bluetooth device you choose.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.

- Increase the separation between the equipment and receiver.

-Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

-Consult the dealer or an experienced radio/TV technician for help

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) this device may not cause harmful interference, and

(2) this device must accept any interference received, including interference that may cause undesired operation.
