To Whom It May Concern:

Pursuant to Sections 0.457(d) and 0.459 of the Commission's Rules (47 C.F.R.), Fortell Research Inc. hereby requests that the documents listed below, be withheld from public inspection. The materials contain trade secrets and proprietary information that are not customarily released to the public.

The public disclosure of these materials could cause substantial competitive harm to Fortell Research Inc. and provide unjustified benefits to our competitors.

Request for Long-Term Confidentiality
We request that the following exhibits be held permanently confidential:

- **Schematics:** Contains proprietary circuit diagrams and design information.
- **Block Diagrams:** Reveals core internal architecture and functionality.
- **Operational Description/Theory of Operation:** Describes proprietary radio frequency and technical operation.
- **Parts List / Bill of Materials:** Lists proprietary components and sources.

Request for Short-Term Confidentiality
We request that the following exhibits be held confidential for 180 days from the date of the Grant of Equipment Authorization. This is to avoid the premature release of sensitive product information to our competitors before our product is officially marketed.

- **External Photos**
- **Internal Photos**
- **Test Setup Photos**
- **User Manual / IFU**

Sincerely,

John Becker
