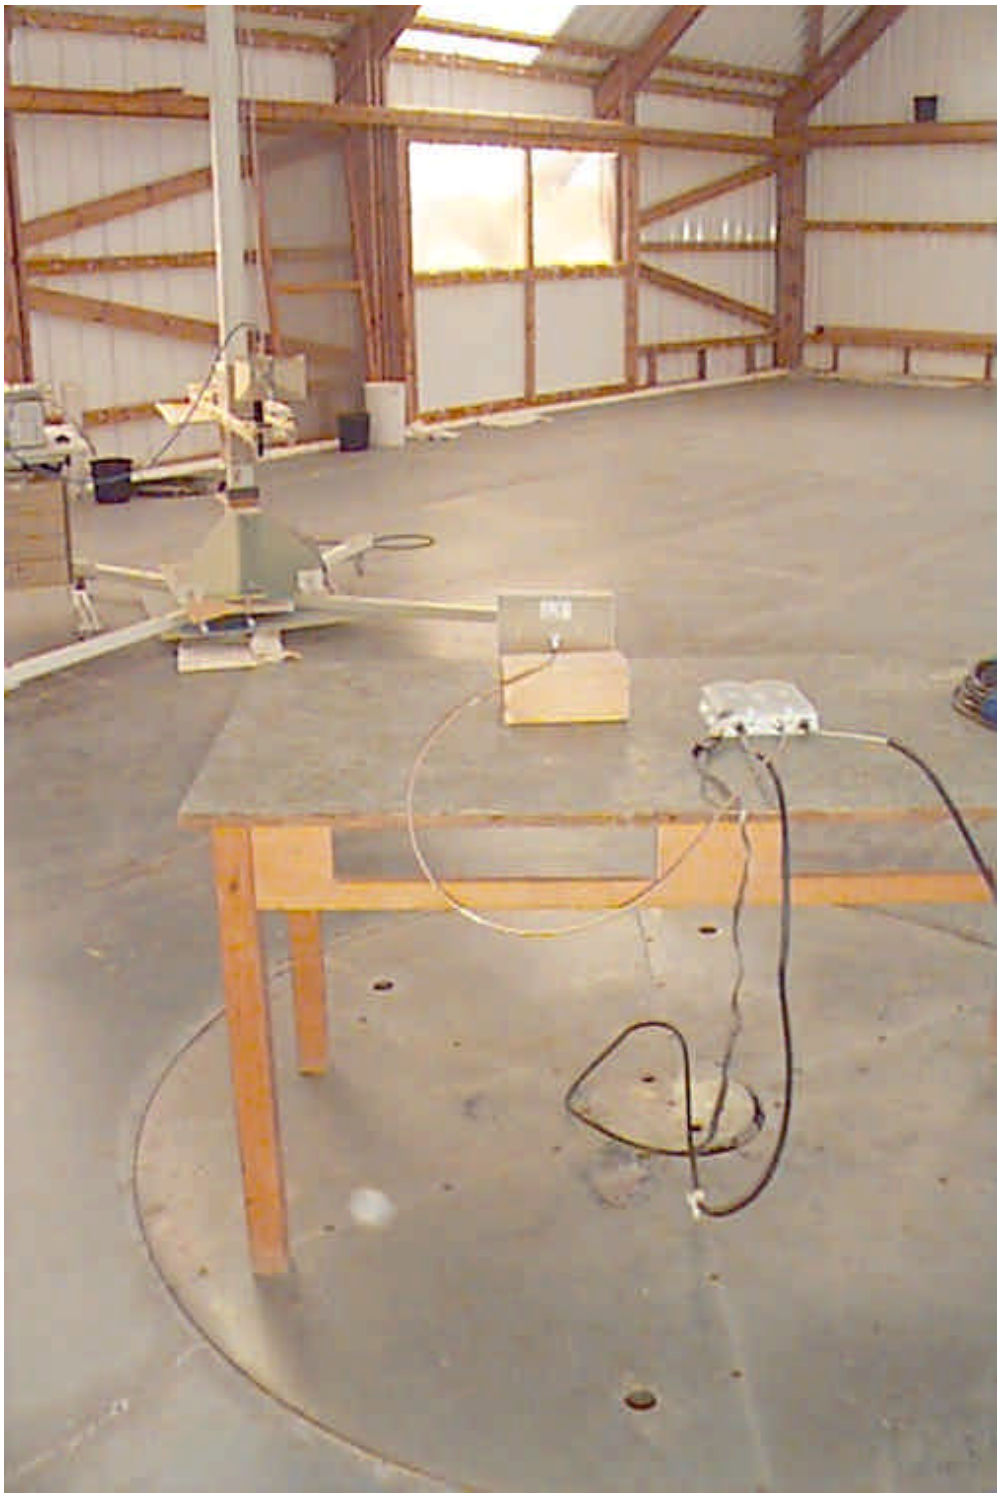
SETUP PHOTOGRAPHS

This document contains 15 photographs

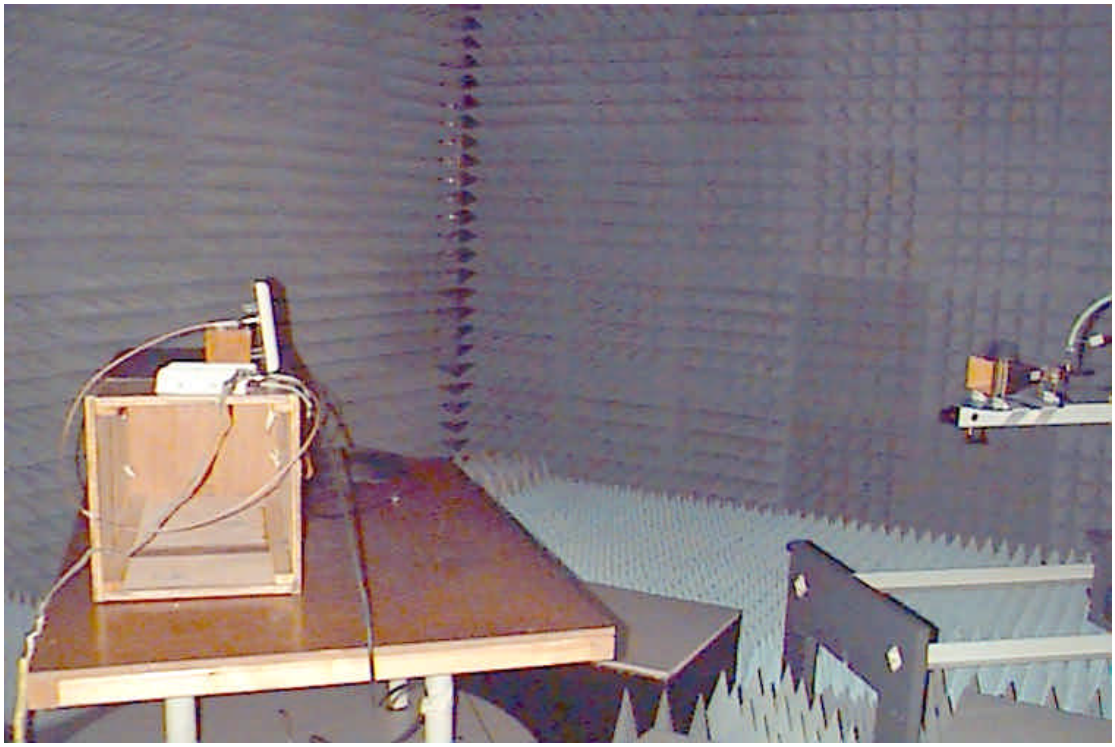
Photograph No.1
Radiated emissions measurement setup general view with 13.5 dBi antenna

Photograph No.2
Radiated emissions measurement setup general view with 13.5 dBi antenna

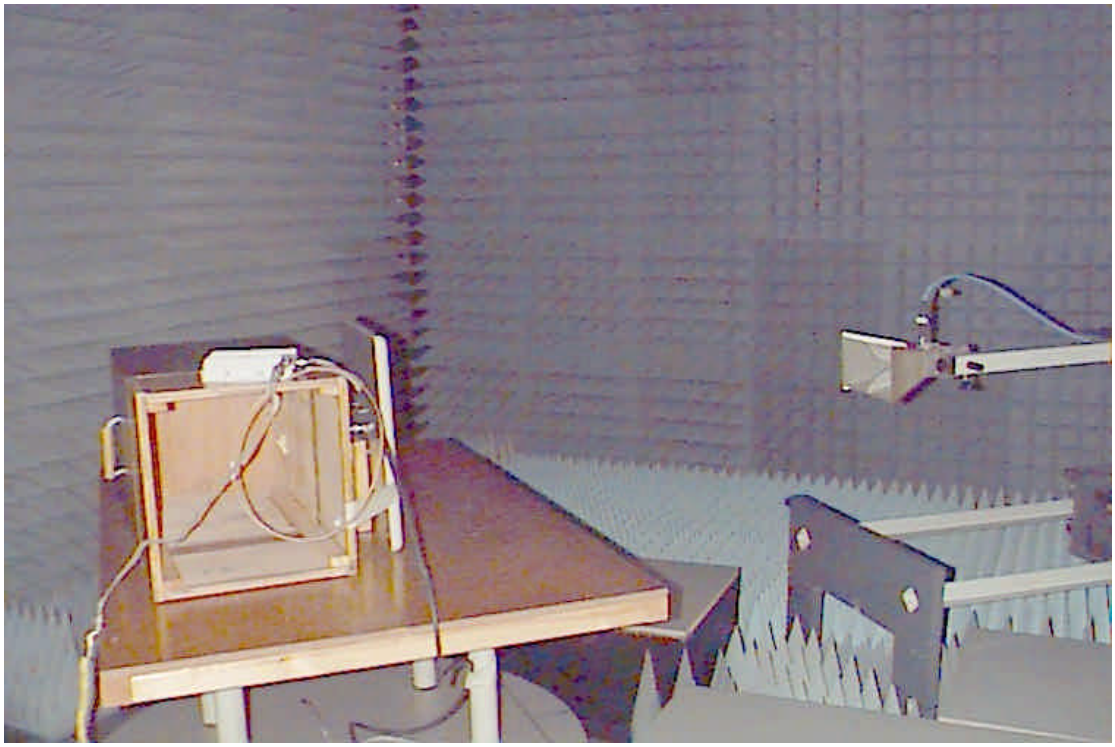
Photograph No.3
Radiated emissions measurement setup general view with 13.5 dBi antenna



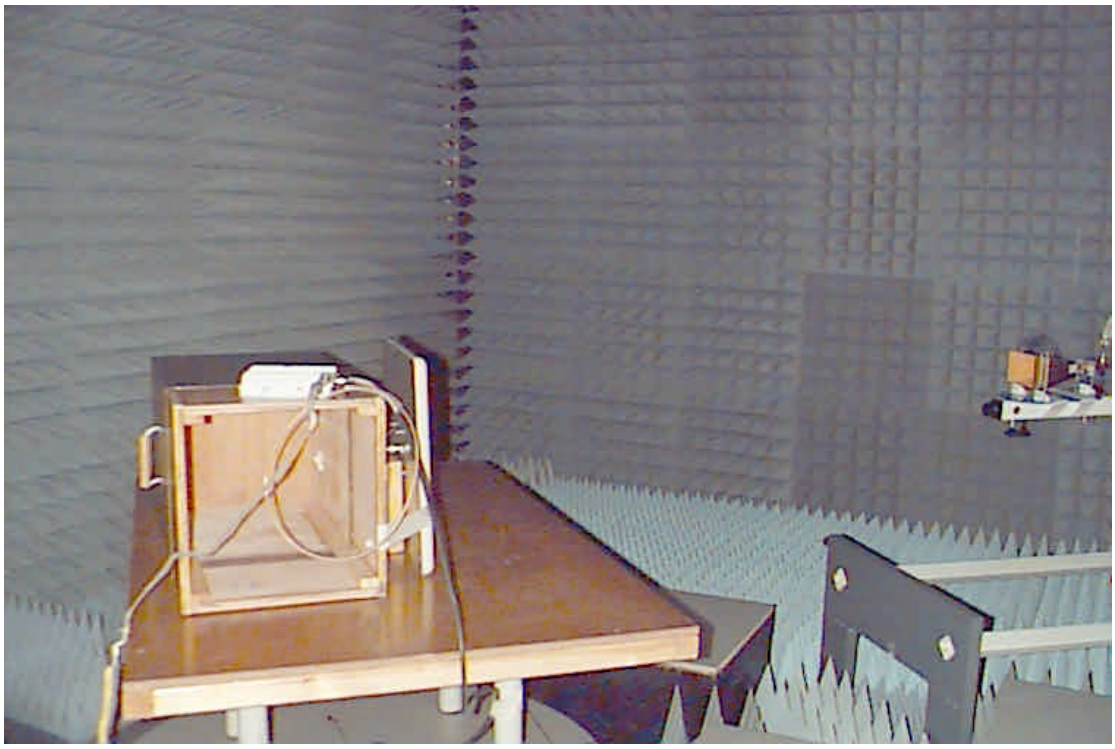
Photograph No.4
Radiated emissions measurement setup view with 13.5 dBi antenna



Photograph No.5
Radiated emissions measurement setup view with 18 dBi antenna in 15 GHz – 18 GHz

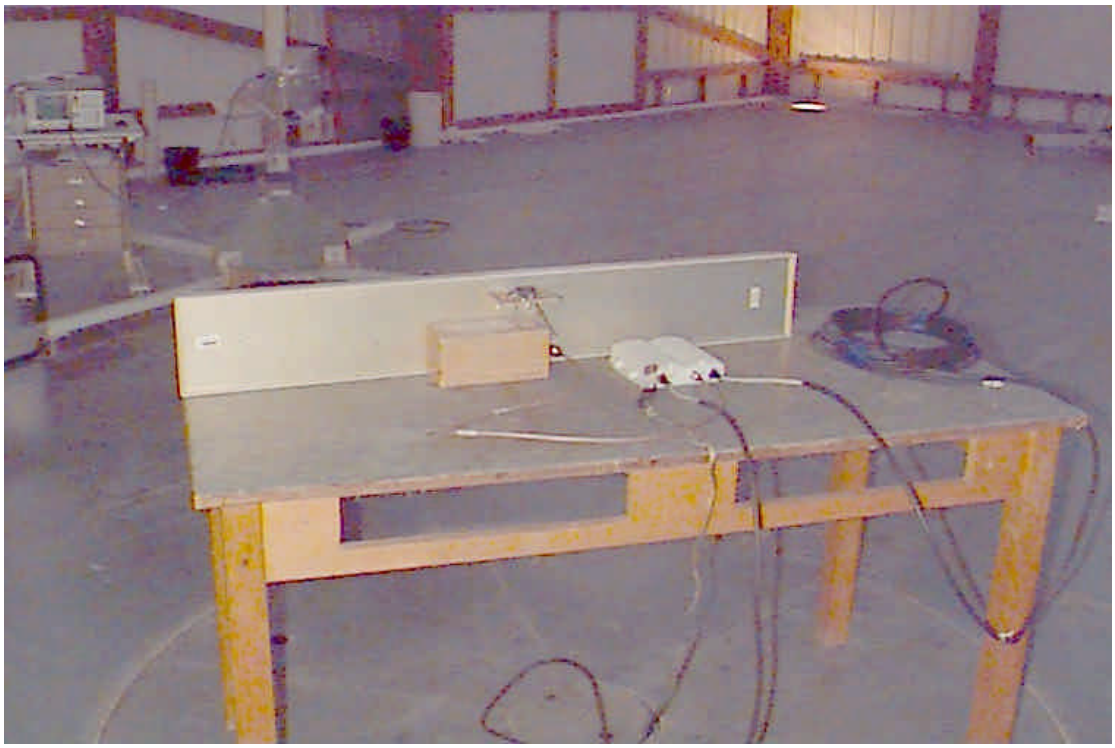


Photograph No.6
Radiated emissions measurement setup view with 18 dBi antenna in 18 – 24 GHz

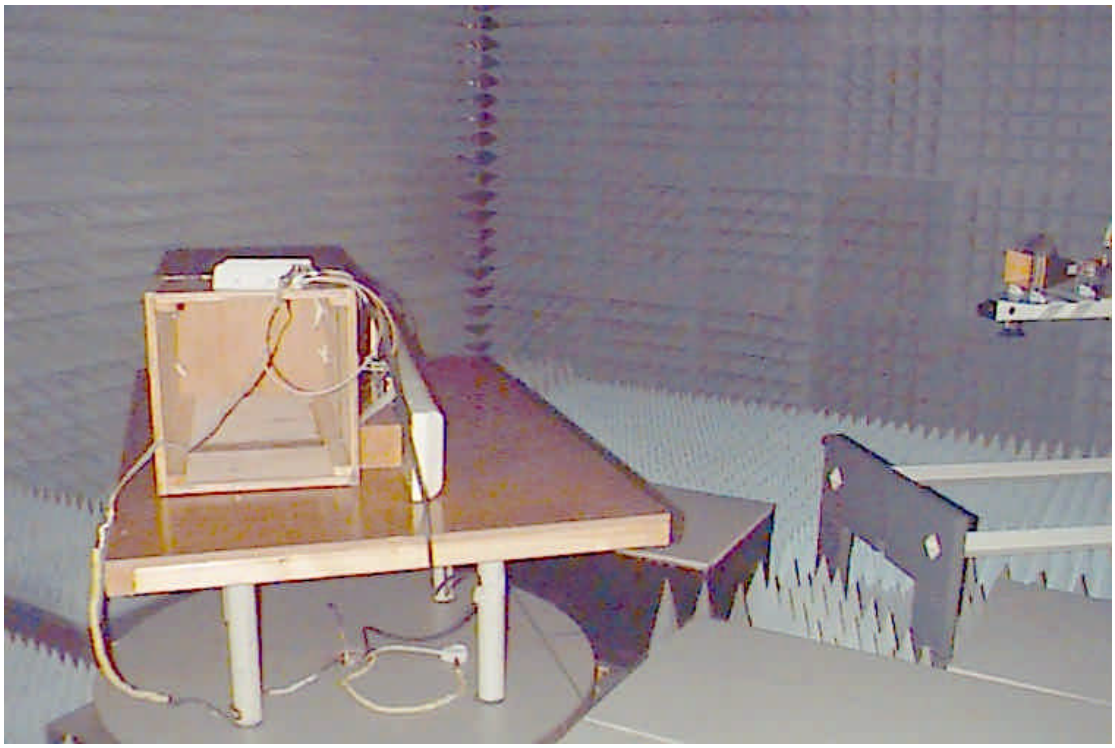


Photograph No.7
Radiated emissions measurement setup view with 17 dBi antenna

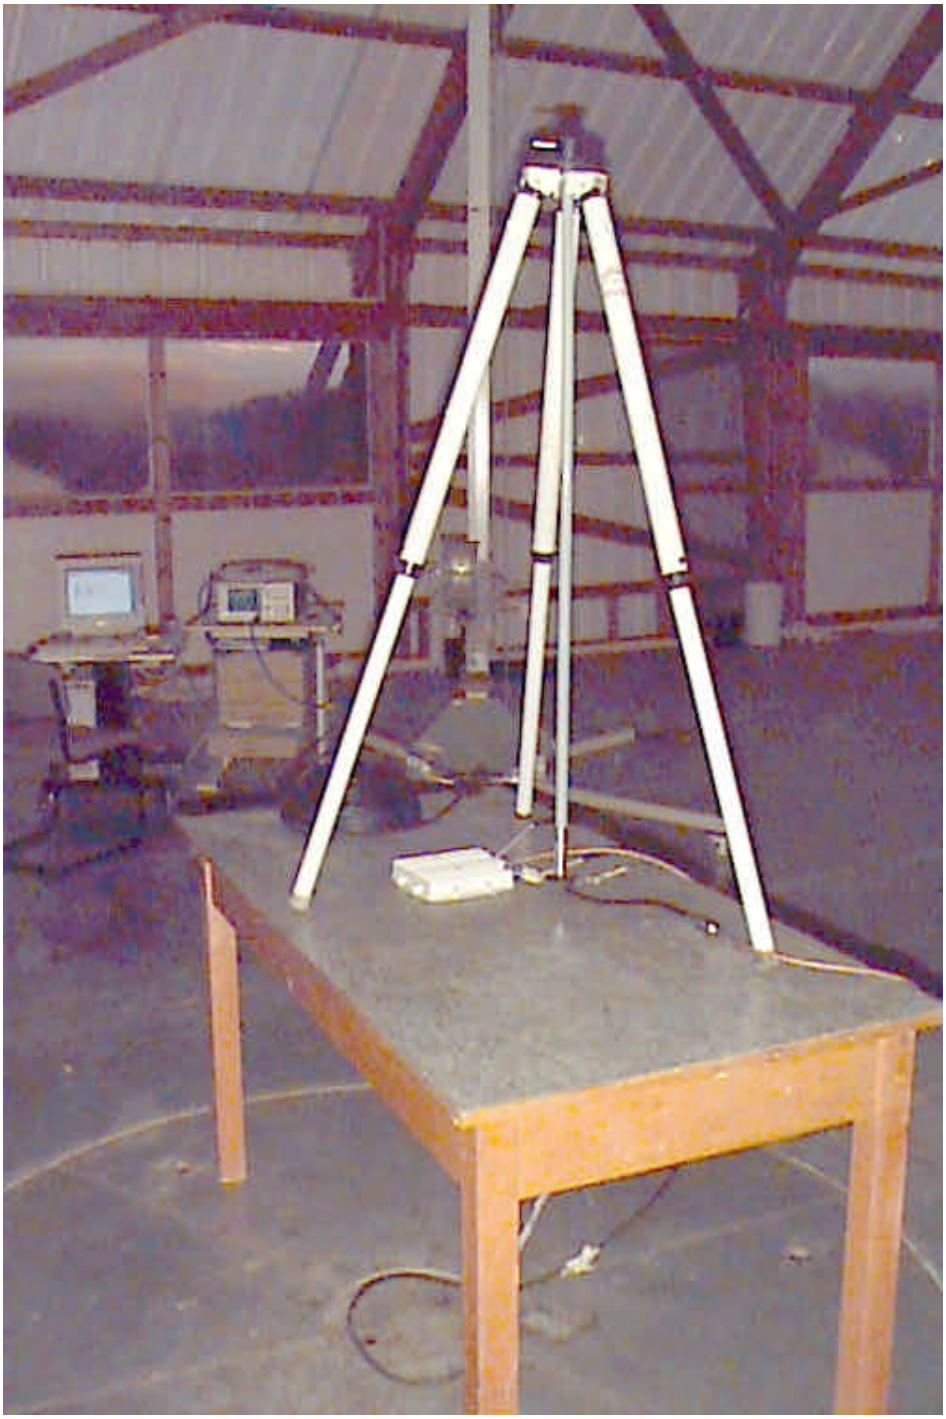
Photograph No.8
Radiated emissions measurement setup view with 17 dBi antenna



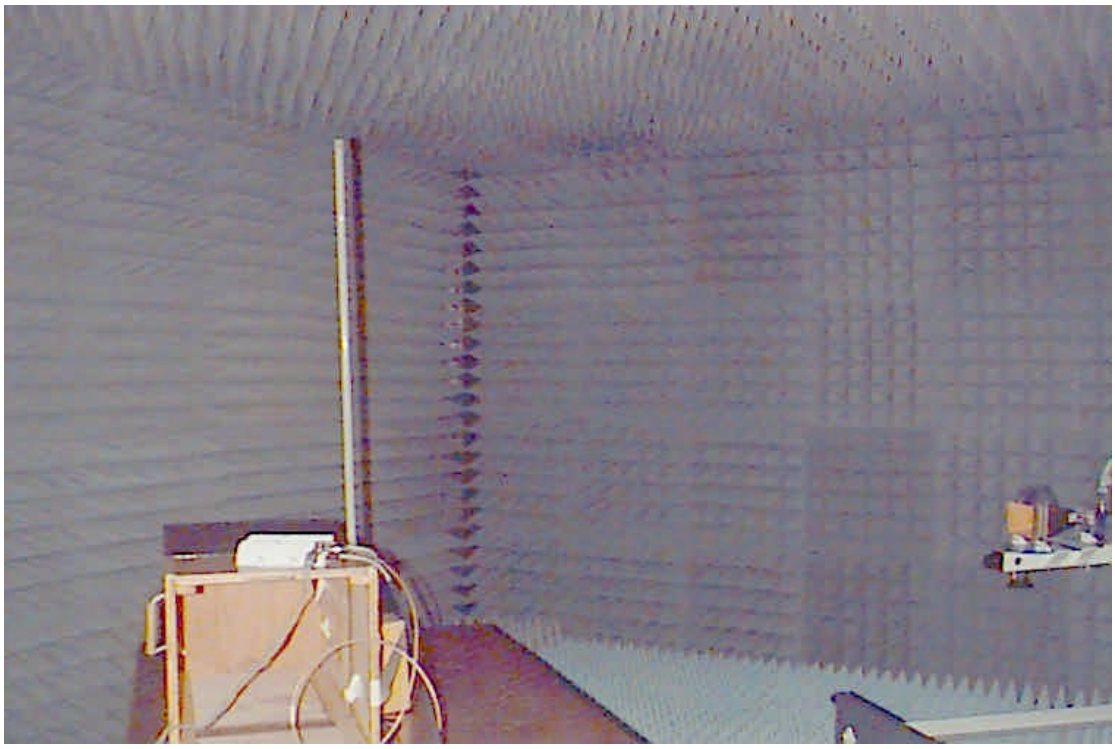
Photograph No.9
Radiated emissions measurement setup view with 17 dBi antenna in 18 – 24 GHz



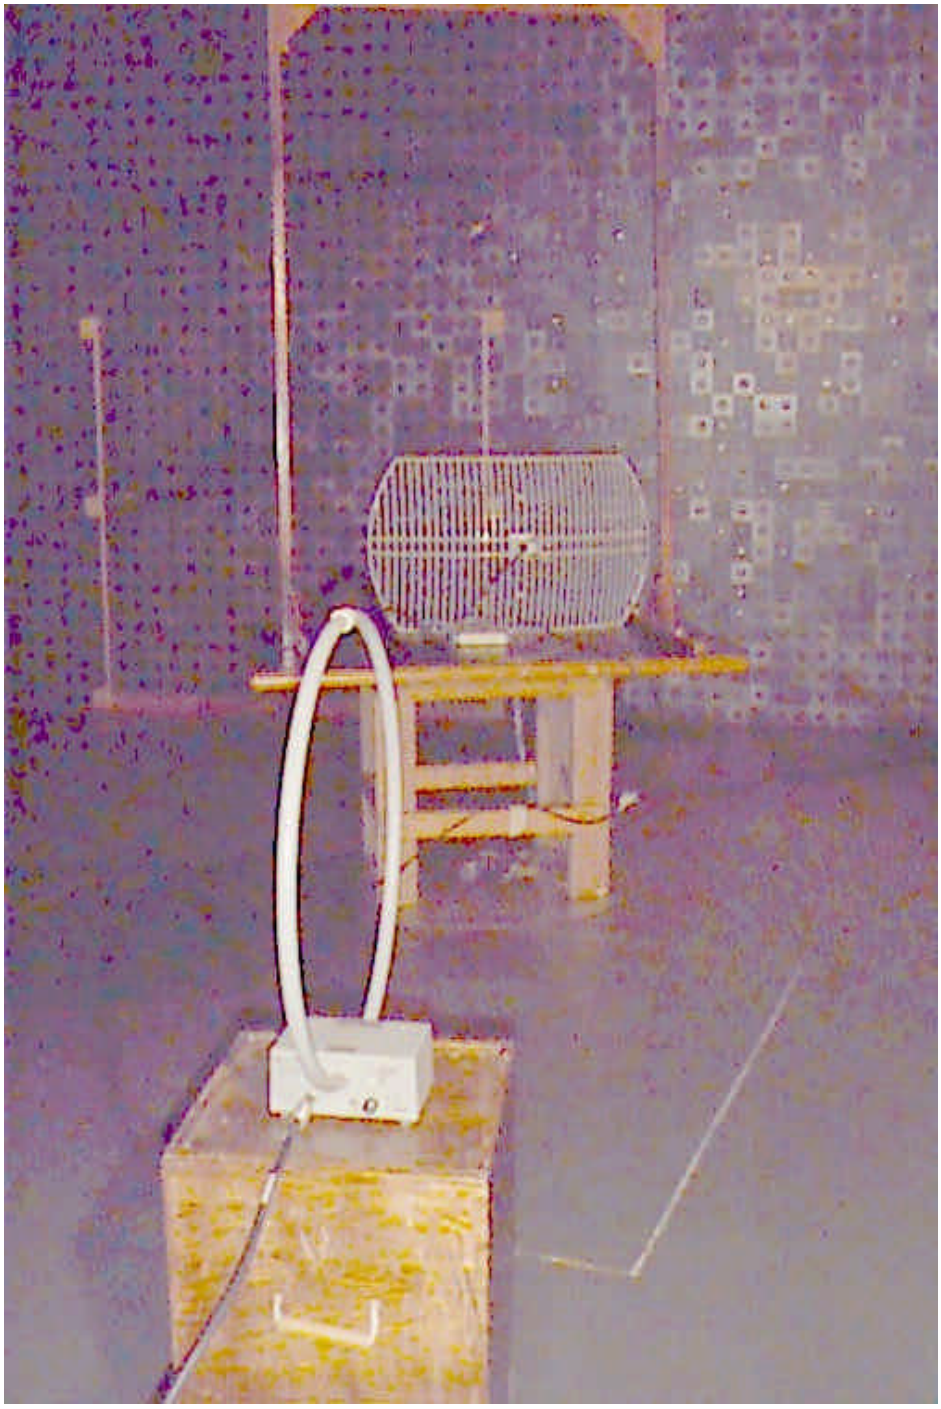
Photograph No.10
Radiated emissions measurement setup view with 12 dBi antenna



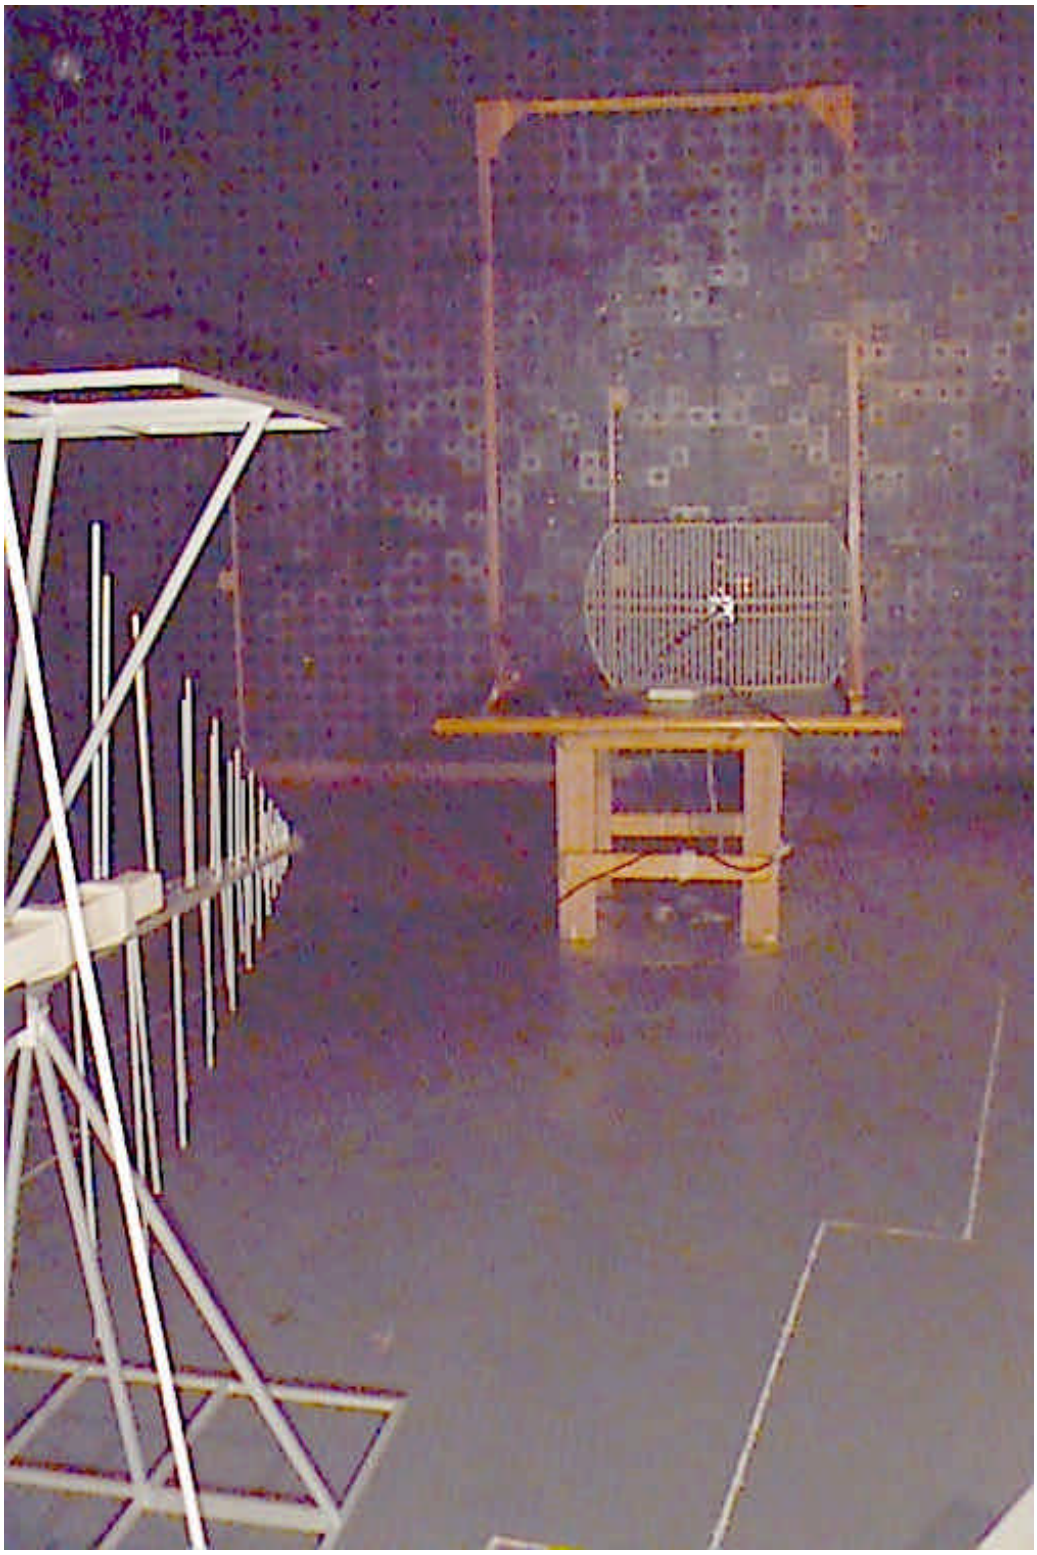
Photograph No.11
Radiated emissions measurement setup view with 12 dBi antenna in 18 – 24 GHz



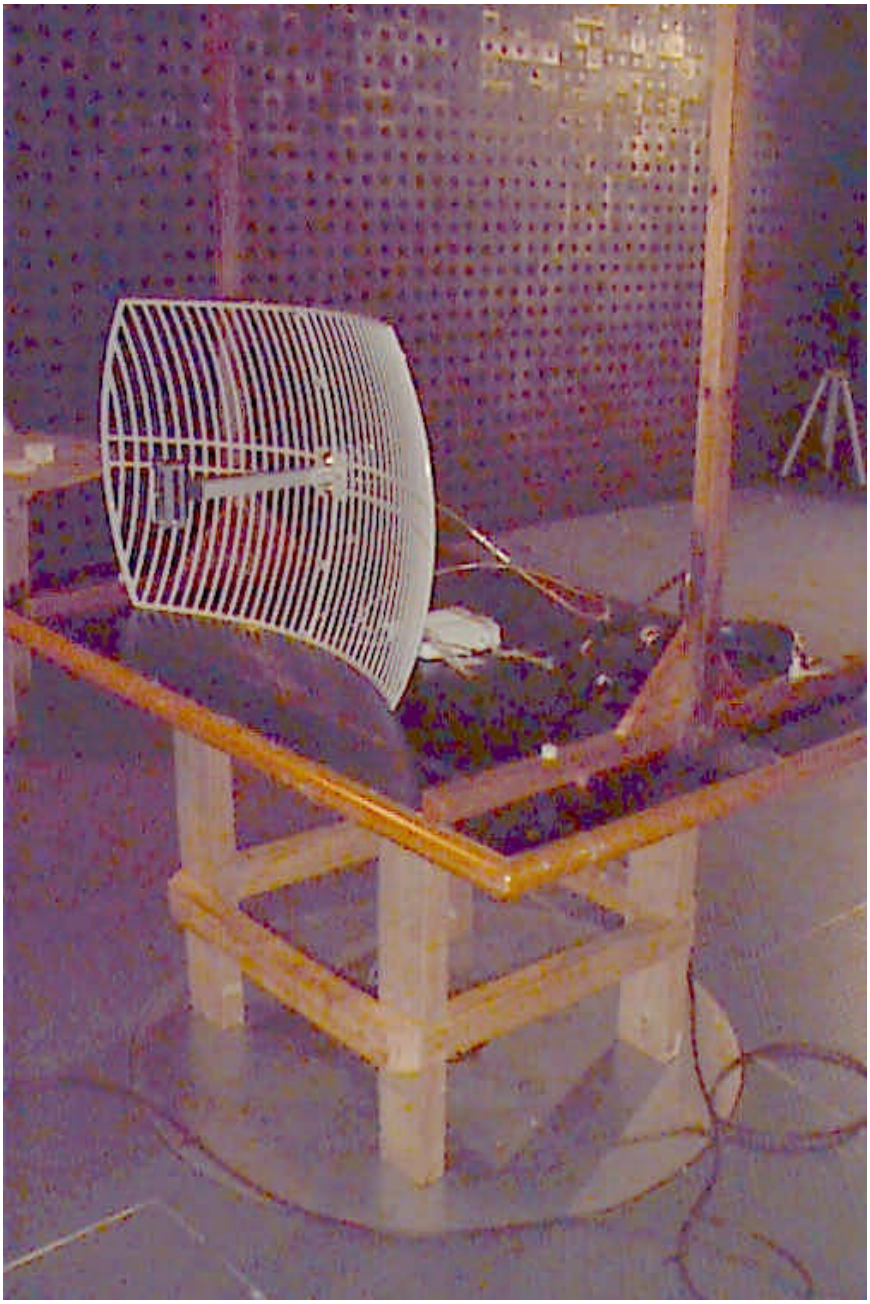
Photograph No.12
Radiated emissions measurement setup view with 24 dBi antenna

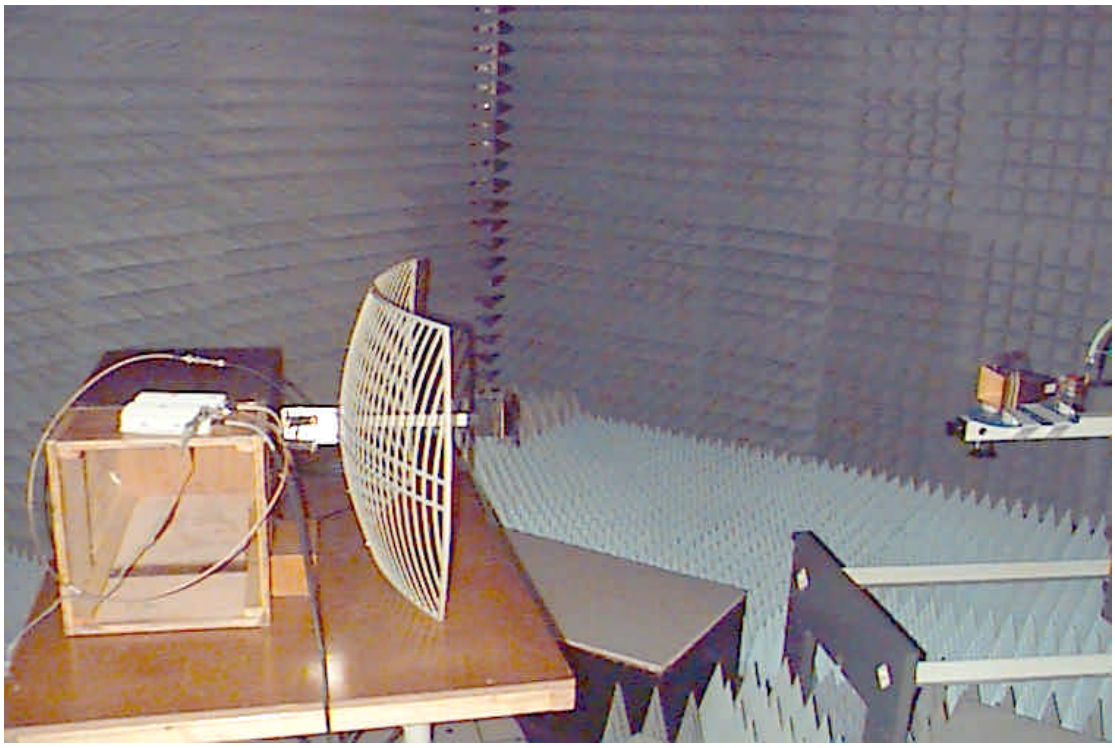


Photograph No.13
Radiated emissions measurement setup view with 24 dBi antenna



Photograph No.14
Radiated emissions measurement setup view with 24 dBi antenna





Photograph No.15
Radiated emissions measurement setup view with 24 dBi antenna in 18 – 24 GHz
