Product Safety and Warranty Information

Ego LS 800

LIQUID IMAGE®

Disclaimer:
While every effort has been made to insure that the information in the guide is accurate and complete, no liability can be accepted for any errors or omissions. Liquid Image Co reserves the right to change the specifications of the hardware and software described herein at any time without prior notice.

Liquid Image Co declines all responsibility for damages due to improper use of this product, failure to adhere to the instructions given in this guide, or modifications to the camera.

Please read before proceeding
THE BATTERY IS NOT FULLY CHARGED WHEN YOU TAKE THE DEVICE OUT OF THE BOX. YOUR WARRANTY IS INVALIDATED IF YOU DISASSEMBLE OR ATTEMPT TO DISASSEMBLE THE DEVICE.

Limitation of damages
TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL LIQUID IMAGE OR ITS AFFILIATES BE LIABLE TO YOU, ANY USER, OR THIRD PARTY FOR ANY INDIRECT, SPECIAL, CONSEQUENTIAL, INCIDENTAL OR PUNITIVE DAMAGES OF ANY KIND, ARISING IN CONTRACT, TORT, OR OTHER-WISE, INCLUDING, BUT NOT LIMITED TO, INJURY, LOSS OF REVENUE, LOSS OF GOODWILL, LOSS OF BUSINESS OPPORTUNITY, LOSS OF DATA, AND/OR LOSS OF PROFITS, REGARDLESS OF THE FORESEEABILITY THEREOF OR WHETHER LIQUID IMAGE OR ITS AFFILIATES HAD BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. AND IN NO EVENT SHALL THE TOTAL LIABILITY OF LIQUID IMAGE OR ITS AFFILIATES EXCEED THE AMOUNT RECEIVED FROM YOU.

REGARDLESS OF THE LEGAL THEORY UNDER WHICH THE CAUSE OF ACTION IS BROUGHT. THE FOREGOING DOES NOT AFFECT ANY STATUTORY RIGHTS, WHICH MAY NOT BE DISCLAIMED.

Important health information and safety precautions
When using this product, the safety precautions below must be taken to avoid possible legal liabilities and damages. Retain and follow all product safety and operating instructions. Observe all warnings in the operating instructions on the product. To reduce the risk of bodily injury, electric shock, fire, and damage to the equipment, observe the following precautions.

Electrical safety
This product is intended for use when supplied with power from the designated battery or power supply unit. Other usage may be dangerous and will invalidate any approval given to this product.

Safety precautions for power supply unit:
- *Use the correct external power source*
  A product should be operated only from the type of power source indicated on the electrical ratings label. If you are not sure of the type of power source required, consult your authorized service provider or local power company. For a product that operates from battery power or other sources, refer to the operating instructions that are included with the product.
- *Handle battery packs carefully.*
  This product contains a Lithium-ion polymer or Lithium-ion battery. There is a risk of fire and burns if the battery pack is handled improperly. Do not attempt to open or service the battery pack. Do not disassemble, crush, puncture, short external contacts or circuits, dispose of in fire or water, or expose a battery pack to temperatures higher than 60° C (140°F).

WARNING: The Camera Body (especially the back plate of the Camera) can get very hot during operation. Make sure to allow the Camera to cool down for at least 3 minutes before pulling the camera off of the 4G LTE Sled. Replacement Battery, Waterproof Housings, or from any other mounts and accessories.

WARNING: Danger of explosion if battery is incorrectly replaced. To reduce risk of fire or burns, do not disassemble, crush, puncture, short external contacts, expose to temperature above 60° C (140° F), or dispose of in fire or water. Replace only with specified batteries. Recycle or dispose of used batteries according to the local regulations or reference guide supplied with your product.
- *Take extra precautions*
  Keep the battery pack away from water or any liquid as it may cause a short circuit.
- *Only use the battery with a charging system that has been qualified with the system per this standard. IEEE-Std-1725. Use of an unqualified battery or charger may present a risk of fire, explosion, leakage or other hazard.*
- *Avoid dropping the camera. If the camera is dropped, especially on a hard surface, and you suspect damage, take it to a service center for inspection.*
- *If the battery leaks:*
  Do not allow the leaking fluid to come in contact with skin or clothing. If already in contact, flush the affected area immediately with clean water and seek medical advice.
  Do not allow the leaking fluid to come in contact with eyes. If already in contact, DO NOT rub; rinse with clean water immediately and seek medical advice.
- *Take extra precautions to keep a leaking battery away from fire as there is a danger of ignition or explosion.*

Safety in aircraft:
Due to the possible interference caused by this product to an aircraft's navigation system and its communications network, using this device on board an airplane is against the law in most countries.

Environment restrictions
Do not use this product in gas stations, fuel depots, chemical plants or where blasting operations are in progress, or in potentially explosive atmospheres such as fuelling areas, fuel storerooms, below deck on boats, chemical plants, fuel or chemical transfer or storage facilities, and areas where the air contains chemicals or particles, such as grain, dust, or metal powders. Please be aware that sparks in such areas could cause an explosion or fire resulting in bodily injury or even death.

Safety precautions for RF exposure
- *Avoid using your device near metal structures (for example, the steel frame of a building).*
- *Avoid using your device near strong electromagnetic sources, such as microwave ovens, sound speakers, TV and radio.*
- *Use only original manufacturer-approved accessories, or accessories that do not contain any metallic components.*
- *Use of non-original manufacturer-approved accessories may violate your local RF exposure guidelines and should be avoided.*

Body-worn Operation
This device is for typical body-worn operations. The camera will always be used with the 4G LTE dock and the Accessories.

If the camera need to be used independently, the camera is more than 20cm from human body.

LIMITED WARRANTY

LIQUID IMAGE CO. LLC (LIC) warrants the LIQUID IMAGE EGO LS 800 CAMERA against defects in materials and workmanship for 1 year from the original date of purchase. This warranty is valid only on LIC products purchased in the United States of America. This warranty applies only to the original purchaser, and does not apply to products for any industrial, professional or commercial purpose.

The original dated bill of sale or sales slip (sales receipt) must be submitted with the warranty at the time that repair or replacement of the product is requested. To be registered as the original consumer purchaser and to be eligible for service under this warranty, you must fill out the Warranty Registration Form online at http://www.liquidim-egeo.com/pages/warranty-registration within 30 days of purchase.

The duration of any warranties, which may be implied by law, is limited to the term of this warranty. In no event shall LIC be liable for incidental or consequential damages arising from ownership or use of this product. This warranty does not cover damages resulting by accident, improper case or misuse, from corrupted or lost data due to a malfunction of the camera, the software, the memory card, the external computer, peripheral devices, or any loss that result from files that could not be recorded, are erased, destroyed, or damaged in any way due to a problem or a mistake while utilizing the camera or any of its accessories. Consult your User Manual for instructions on proper care and use. Your LIQUID IMAGE EGO CAMERA may be subject to cosmetic defects or other reproductive harm. Check the product and packaging for details. Any cameras intended for underwater use has been rated to a specific depth and that depth rating is stated on the product. Taking a product to a deeper level may cause damage and will void any warranty.

Some states do not allow limitations on how long an implied warranty lasts and/or do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation and/or exclusions many not apply to you. This warranty gives you specific legal rights. You may have other rights, which vary from state to state.

Should you experience any difficulty with the product, please contact customer service by phone or email. If a problem cannot be resolved over the telephone or via email, the product (including all parts) must be delivered to LIC at the owner's expense. Call or email to request instructions on how to ship the product. If the product is found to be defective, we will (at our option) repair or replace the product or issue a refund for the purchase price.

"When emailing or calling customer service, please supply the following information: Name, Address, Phone Number, Email Address, Model Number, Serial number, Place of Purchase and Date of Purchase listed on your sales receipt.

The following advisory is included in accordance with the laws of the state of California (USA) Prop 65, The Safe Drinking Water and Toxic Enforcement Act 1986.

WARNING:
This product contains chemicals, including lead on the internal electronic board, known in the State of California to cause cancer, birth defects or other reproductive harm. Wash your hands after handling. The concentration of the lead and lead compounds does not exceed 300ppm.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more the following measures:
• Reorient or relocate the receiving antenna.
• Increase the separation between the equipment and receiver.
• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
• Consult the dealer or an experienced radio/TV technician for help.

Shielded cables must be used with this unit to ensure compliance with the Class B FCC limits.

Safety warnings:
Pay attention to your local traffic regulations concerning car accessories. Take care that no component of your car like airbags, safety equipment, controls, meters etc., or vision is impared by this device.

Avoid distraction by operating this device while driving a car or using sports equipment and pay attention to the traffic and your surroundings at all times.

Declaration of Conformity:
This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation.
