Safety Precautions

FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
--Reorient or relocate the receiving antenna.
--Increase the separation between the equipment and receiver.
--Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
-Consult the dealer or an experienced radio/TV technician for help.This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and(2) this device must accept any interference received, including interference that may cause undesired operation.
FCC RF exposure statement:
The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
Warning:
Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Operation

FIRST TIME SETUP

Device may need to be charged before use.

CAUTION
Only use a USB charging device that is 5V DC output.

Remove the protective film before the first use, then power on the headphone and it will go to pairing mode automatically. Headphone will automatically reconnect to the last paired device when powered on next time.

POWER ON & POWER OFF

POWER ON

Press the multifunction button for about 2 seconds and the blue indicator flashes for 2 seconds.

POWER OFF

Press the multifunction button for about 3.5 seconds and the red indicator flashes for 2 seconds.

PAIRING

A. If this is the first time connecting your headphones, follow FIRST TIME SETUP instructions.
B. If you want to pair your headphones with a new device, please disconnect it from the Bluetooth list of your current device. Once disconnected, it will go to pairing mode automatically.
