

1. Antenna Description:

|                 |                                             |
|-----------------|---------------------------------------------|
| Antenna type    | PCB Antenna                                 |
| Model:          | TR-34.5X50.5                                |
| Manufacturer:   | Shenzhen TIMXON Energy Technology Co., Ltd. |
| Frequency range | 13.56MHz                                    |
| ANT Peak Gain   | 0.0dBi                                      |
