Pendant Description

Using the Pendant necklace

Using Pendant for the first time

Charging Pendant

Pendant charges through the USB-C™. Please use the provided USB cable to charge pendant using the AC adapter.

Pairing

Pendant is fully functional without the app. Pairing unlocks customization, connectivity, and app features. Pairing is optional but recommended for full functionality.

Wearing Pendant

- Wear pendant comfortably on the neck.
- Pendant is designed to be worn on necklace.
- Attaching the Pendant to a necklace: Thread the necklace through the pendant hole. Ensure the necklace is secure before wearing. Avoid pulling too tight to prevent damage to the pendant or necklace. If the pendant slides out from the hole, gently push it back into place.
