

Solder Board-Component View 5	
Solder Board-Component View 6	

Solder Board-Component View 7	 A photograph showing a small electronic component, labeled PCB-04260, mounted on a blue textured surface. The component is positioned next to a black L-shaped ruler with white markings in millimeters. The ruler has a vertical scale from 0 to 90 mm and a horizontal scale from 0 to 100 mm. The component is located near the 10 mm mark on the vertical scale and the 20 mm mark on the horizontal scale.
Solder Board-Component View 8	 A photograph showing a small electronic component, labeled U31, mounted on a blue textured surface. The component is positioned next to a black L-shaped ruler with white markings in millimeters. The ruler has a vertical scale from 0 to 90 mm and a horizontal scale from 0 to 100 mm. The component is located near the 10 mm mark on the vertical scale and the 20 mm mark on the horizontal scale.

Solder Board-Component View 9	 A photograph showing a small electronic component, labeled PCB-04260, mounted on a blue textured surface. The component is positioned next to a black ruler with white markings. The ruler has two scales: a vertical scale on the left and a horizontal scale at the bottom. The component is located approximately at the 10 mm mark on the vertical scale and the 20 mm mark on the horizontal scale.
Solder Board-Component View 10	 A photograph showing a small electronic component, labeled U1, mounted on a blue textured surface. The component is positioned next to a black ruler with white markings. The ruler has two scales: a vertical scale on the left and a horizontal scale at the bottom. The component is located approximately at the 10 mm mark on the vertical scale and the 20 mm mark on the horizontal scale.

Solder Board-Component View 11	 A photograph showing a small electronic component, labeled PCB-0A260, mounted on a blue textured surface. A black L-shaped ruler is placed next to the component for scale. The ruler has markings in millimeters (0 to 100) and centimeters (0 to 10). The component is a small, rectangular, gold-colored package with visible solder joints.
Solder Board-Component View 12	 A photograph showing a small electronic component, labeled LUU1, mounted on a blue textured surface. A black L-shaped ruler is placed next to the component for scale. The ruler has markings in millimeters (0 to 100) and centimeters (0 to 10). The component is a small, rectangular, gold-colored package with visible solder joints.
