MIKME LIMITED WARRANTY
Valid in all countries except in the United States of America and Canada: Mikme GmbH warrants Mikme products against evident defects in material and workmanship for a period of one years from the date of original purchase for use. This warranty does not cover electrical or mechanical damage resulting from misuse or abuse, lack of reasonable care, damage due to force majeure or natural forces, or inadequate repairs performed by unauthorized service centers. Batteries and wear of parts due to normal use are not covered by this warranty.

This warranty is valid for the original purchaser as the final user only. Mikme GmbH will, at Mikme GmbH's option, repair or replace items returned for repair under this Warranty. Guarantee service is available only in the region of original purchase.
In some countries, product liability legislation may give you other rights beyond the scope of this warranty card. Where this applies, such rights shall replace the rights and conditions stated in this warranty card.

To obtain warranty service, contact our Mikme Support for shipping instructions and an RMA tracking number. You will need the device serial number as shown on the device sticker, a return shipping address and a daytime phone number. Securely pack the device and a copy of the original sales receipt, which is required as a proof of purchase for warranty repairs. Write or print out the tracking number and affix it to the outside of the package. Shipment of the defective item for repair under this warranty will be at the customer's own risk and expense.

Limited Warranty valid United States of America (*) and Canada (**):
Mikme GmbH warrants Mikme products against defects in material or workmanship for a period of one years from the date of original purchase, and agrees to repair or, at our option replace any defective unit without charge for either parts or labor.
This warranty is valid for Mikme products purchased and delivered within the United States (*) / Canada (**) for the original purchaser only. The purchaser's Bill of Sale will serve as proof of sale and warranty validity in the U.S (*) / Canada (**).

Shipment of defective items to Mikme for repair will be at the customer's own risk and expense. Mikme will assume the return shipping cost for all items repaired under warranty.

IMPORTANT: This warranty does not cover damage resulting from accident, misuse or abuse, lack of reasonable care, the affixing of any attachment not provided with the product, loss of parts, or connecting the product to any receptacle other than specified.

This warranty is void unless Mikme, U.S.'s service center(*) / the authorized Mikme Service Center of Canada (**) performs the repair. No responsibility is assumed for any special, incidental or consequential damages caused by the consumer. However, the limitation of any right or remedy shall not be effective where law prohibits such.

To obtain warranty service, contact our Mikme Support for shipping instructions and an RMA tracking number. You will need the device serial number as shown on the device sticker, a return shipping address and a daytime phone number. Securely pack the device and a copy of the original sales receipt, which is required as a proof of purchase for warranty repairs. Warranty approvals will not be granted if an original receipt or copy of a receipt is not enclosed. Write or print out the tracking number and affix it to the outside of the package. Shipment of the defective item for repair under this warranty will be at the customer's own risk and expense.

Information on disposal for users of waste electrical & electronic equipment (private households)

This symbol on the products and/or accompanying documents means that used electrical and electronic products should not be mixed with general household waste. For proper treatment, recovery and recycling. Please take these products to designated collection points, where they will be accepted on a free of charge basis.
Alternatively, in some countries you may be able to return your products to your local retailer upon the purchase of an equivalent new product. Disposing of this product correctly will help to save valuable resources and prevent any potential negative effects on human health and the environment which could otherwise arise from inappropriate waste handling. Please contact your local authority for further details of your nearest designated collection point. Penalties may be applicable for incorrect disposal of this waste, in accordance with national legislation.

Information on disposal in other countries outside the European Union
This symbol is only valid in the European Union. If you wish to discard this product, please contact your local authorities or dealer and ask for the correct method of disposal.

NOTICE OF COMPLIANCE
The device complies with the FCC rules, Part 15. Operation is subject to the following two conditions: 1. This device may not cause harmful interference. 2. This device must accept any interference received, including interference that may cause undesired operation.

FCC RULES
This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instruction manual, may causeharmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

CANADA:
This device complies with Industry Canada licence-exempt RSS standard(S). Operation is subject to the following two conditions:
1 This device may not cause harmful interference.
2 This device must accept any interference received, including interference that may cause undesired operation.

Cet appareil est conforme à la norme RSS d'Industrie Canada. L'utilisation est soumise aux conditions suivantes:
1 Cet appareil ne doit pas causer d'interférences nocives.
2 Cet appareil doit accepter toutes les interférences reçues, y compris les interférences pouvant engendrer un fonctionnement indésirable.

CAN LCES(B)/NMB—3(B)

IC Radiation Exposure Statement:
THE USER IS CAUTIONED THAT CHANGES OR MODIFICATIONS NOT EXPRESSLY APPROVED BY THE PARTY RESPONSIBLE FOR COMPLIANCE COULD VOID THE USER'S AUTHORITY TO OPERATE THE EQUIPMENT.
Déclaration IC d'exposition à la radiation:
L'UTILISATEUR EST AVERTI QUE LES CHANGEMENTS OU LES MODIFICATIONS APPORTÉS À L'ÉQUIPEMENT ET NON EXPRESSÉMENT APPROUVÉS PAR LA PARTIE RESPONSABLE DE LA CONFORMITÉ PEUVENT ANNULER LE DROIT DE L'UTILISATEUR À UTILISER L'ÉQUIPEMENT.

ATTENTION:
Exposure to loud sounds during long time may cause hearing damage. Avoid setting the volume controls at levels high enough to impair your hearing during extended periods of headset use

CAUTION:
Risk of explosion if battery is replaced by an incorrect type. Dispose of used batteries according to instructions.
This equipment conforms to the standards listed in the Declaration of Conformity.

To order a free copy of the Declaration of Conformity, visit **www.mikme.com/doc** or contact **sales@mikme.com**.
