

Model Declaration Letter

To who concern

We confirm the models **iTALK-310 and iTALK-300** are same in circuit board and specification, the same frequency range, antenna, modulation method and RF output power. The difference between these two models is the Screen and Keypad, iTALK-310 has the screen and Keypad, while iTALK-300 doesn't have.

Signature:

A handwritten signature in black ink, appearing to read 'Warner Mitchell', with a stylized, cursive script.
