Kinpo Electronics, Inc.
Rechargeable Polymer
Lithium-Ion Battery
Model No.: SXXXX
Rating: 3.7V, 1300mAh
Cell made in Japan / Finished in Taiwan
Polymer Li-ion
CAUTION:
Risk of explosion if battery is replaced by an incorrect type.
Dispose of used batteries according to the instruction.
Do not dispose of in fire or water.
Do not short-circuit.
Replace only with manufacturer specified batteries.
