Urbanista Athens

(MANUAL)

urbanista

Urbanista Athens

(TRUE WIRELESS SPORT)

1. PAIRING

Turn on your device (see button controls) and open Bluetooth settings on your device. Choose “Urbanista Athens” in the Bluetooth list.

Upon succesful pairing, you will hear “Connected” from both earphones and the indicator light on the left (L) and right (R) earphone will flash slowly every 10 seconds.

If the earphones have been connected to a device before, it will automatically go into pairing mode and connect to the device when powered on.

2. TOUCH CONTROLS

Via the logo button

TURN ON - Remove earphones from the charging case OR hold the (L) or (R) logo button for 2 seconds. The indicator light will flash white three times.

TURN OFF - Place earphones in the charging case OR hold the (L) or (R) logo button for 5 seconds. The indicator light will flash white three times.

PLAY - Press the logo on the right (R) or left (L) earphone once.

PAUSE - Press the logo on the left (L) earphone twice.

ADJUST THE VOLUME (+) - Press the logo on the right (R) earphone once.

ADJUST THE VOLUME (-) - Press the logo on the left (L) earphone once.

NEXT TRACK - Hold the logo on the right (R) earphone 2 seconds.

PREVIOUS TRACK - Hold the logo on the left (L) earphone 2 seconds.

ANSWER A CALL - Press the logo on left (L) or right (R) earphone.

END A CALL - Hold the logo on left (L) or right (R) earphone for 2 seconds.

REJECT A CALL - Hold the logo on left (L) or right (R) earphone for 2 seconds.

SIRI - Press the logo on the right (R) earphone twice.

FCC ID: 2AJD8-ATHENS

URBANISTA ONE YEAR LIMITED WARRANTY

All Urbanista earphones are designed and manufactured to meet high expectations and to provide the best customer experience.

We are devoted to producing only high quality items featuring the latest technology. However, in exceptional cases, electronic products may have malfunctions due to manufacturing defects. That is why we offer a full one (1) year warranty from the date of original retail purchase, which covers defects in materials and workmanship.
Urbanista AB hereby warrants that, under normal use, this product will be free from defects in materials and workmanship for a period of one (1) year starting with the original retail purchase date. The replacement warranty is valid only if the original proof of purchase issued to the purchaser, specifying the date of purchase, is presented with the product to be replaced.

How does it work? If you believe this product is defective, carefully repack the unit and return the product to your authorized dealer within the warranty period, with the original proof of purchase. Your authorized dealer will replace the product, provided a defect in materials or workmanship is identified. Should your authorized dealer not have the equivalent product or color in stock, Urbanista AB will promptly provide you with a new product.

This limited replacement warranty does not apply in cases of abuse or misuse of the product, use contrary to the Urbanista AB instructions, ordinary wear and tear, incorrect connection, force majeure or unauthorized repair. Any lawsuit for breach of this limited warranty shall be commenced, if at all, within one (1) year of the date that the claim accrues.

Urbanista AB shall not be liable for special, indirect, incidental or consequential damages resulting from the use or the inability to use this product, regardless of the legal theory on which the claim is based.

This warranty gives you specific legal rights, and you may have other rights, which vary from country to country. This warranty does not restrict the rights of the consumer mandated under applicable laws. This product shall not be treated as household waste. Instead it shall be handed over to the applicable collection point for the recycling of electrical and electronic equipment. This product was produced after April 1st, 2019.

IMPORTANT SAFETY INSTRUCTIONS

WARNINGS

• Not suitable for children under age three: it contains small parts which may be a choking hazard.
• Choose a low volume setting before using the headphones.
• Long-term exposure to loud music or sounds may cause hearing damage. It is best to avoid high volume levels when using these headphones, especially for extended periods.
• Do not use these headphones when operating a motor vehicle, a bicycle, machinery or where your inability to hear outside sounds may present a danger to you or to others.

CAUTIONS

• Using these headphones limits your ability to hear noises around you, regardless of listening volume. Please be cautious when using these headphones.
• Do not drop, sit on, or allow the headphones to be immersed in water.

FCC Statement

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
