Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

SUBJECT: Change of ID

To Whom It May Concern:

This letter grants authorization for representative of TRACTEL, Inc (TRACTEL) to apply to the FCC for a change in identification as specified under 47CFR section 2.933 of the FCC rules.

The original certification FCC ID: SQGBL652 will remain valid.

This authorization applies to the Laird model BL652-SA, FCC ID: SQGBL652. The original grant date was August 31, 2016.

TRACTEL will be marketing the BL652 module as a product under a new FCC Identifier. TRACTEL's grantee code is OVL and proposes that it be issued FCC ID: OVL-BL652 for the module.

Laird has no control or responsibility with regards to the installation and use of the FCC ID: OVL-BL652 module in the products outlined by TRACTEL. As a result, TRACTEL takes ownership and responsibility for compliance of their products which include the FCC ID: OVL-BL652 module.

The original test results, technical information and relevant documents continue to be representative of and applicable to the changed equipment. Any confidential information regarding the FCC ID: SQGBL652 module shared to various test and certification firms shall remain confidential amongst the parties involved and not be shared to other third parties (including TRACTEL) unless authorized.
Sincerely,

Brian Petted
Technology Leader
Laird Connectivity
