

Solder Board-Component View 8	 A photograph of a white printed circuit board (PCB) populated with various electronic components, including a large silver heat sink, capacitors, and integrated circuits. A multi-colored ribbon cable is connected to the right side of the board. The board is placed on a blue background with a metal ruler for scale, showing dimensions in centimeters.
Solder Board-Component View 9	 A photograph of a green printed circuit board (PCB) with intricate silver-colored circuit traces and various electronic components. A multi-colored ribbon cable is connected to the top edge of the board. The board is placed on a blue background with a metal ruler for scale, showing dimensions in centimeters.
