ATTESTATION STATEMENT FOR SEVENSTAR SART S.701
APPLICATION FOR FCC APPROVAL

Ref FCC ID: RIKS 701

I hereby attest that the technical parameters of the above named equipment conform to the performance standards as specified in Section 80.1101 for 9GHz radar transponders. Specifically, the S.701 SART complies with IMO Resolution A694 (17), A.802 (19), ITU-R Recommendation M.628-3 (1994), IEC 1097-1 (1992), IEC 60945 (1996), IMO Resolution A.604 (15) and CCIR Recommendation 628-1 (1990)

EC Declaration of Conformity (Bureau Veritas – 16/3/2004):
This product has been certified as having passed the EU Marine Equipment Directive Type Approval requirements, in compliance with the International Instruments and testing standards of Council Directive 96/98/EC, as amended by Commission Directive 2002/75/EC, including the SOLAS 74 Convention, as amended by 2000 SOLAS Amendments, Regs III/6.2.2 & IV/7.1.3 – 2000 HSC Code, IMO Resolution MSC.97 (93) 14.7.1.3 – IMO Resolutions A.530 (13), A694 (17), A802 (19), A813 (19), IUT-R Rec. M628-3 – IEC 61097-1 (1992) – IEC 60945 (1996).
