Contact: Oscar Wang, oscar@ligtz.com, (215)5263672

FCC ID: 2A2MA-CF15

Subject: Declaration of Differences Between Model Variants

We hereby declare that the following models are variants under the same FCC ID 2A2MA-CF15:

- Parent Model: RAIN 15
- Variant Models: RAIN 14, RAIN 14Lite, RAIN 15Lite

****Differences Summary:****

1. RAIN 14: Multifunctional wireless Lighting, Flood lamp, Different in LED cup and Lamp holder.

2. RAIN 15: Multifunctional wireless Lighting, Holiday lamp, Different in LED cup and Lamp holder.

3. RAIN 14Lite: Multifunctional wireless Lighting, Flood lamp, Different in LED Cup, Lamp holder and Battery.

4. RAIN 15Lite: Multifunctional wireless Lighting, Holiday lamp, Different in LED Cup, Lamp holder and Battery.

All the PCB layouts, schematics, and antennas are the same for all models.

****Compliance Statement:****

All variants comply with FCC Part 15C (for intentional radiators) and do not exceed the permitted RF exposure limits. No additional testing is required for these changes.

Sincerely,

[Authorized Signatory]
