Caution

DO NOT place any credit cards or other types of magnetic material near the charging pad. Do not attempt to disassemble the wireless charging pad as it may short circuit or damage the product. Keep at least 8" (10cm) distance between implantable medical devices such as pacemakers, cochlear implants, etc. Keep this product in a dry and ventilated space. Do not place in direct heat or use in high humidity environments. Do not use organic solvents to clean surface.

ENGLISH

Using your Fast Wireless Charger

1. Plug the USB-C connector into the wall charger. (USB-C wall charger not included.)
2. Plug in the wall charger.
3. Place the PureGear Magnetic Wireless Charging Pad onto the back of your Qi-enabled device until it automatically aligns and the LED light comes on. Note: The LED light will turn off after 30 seconds.

NOTES:

- The white LED light will flash when interference is detected, or an object is in the way of the charger.
- This Magnetic Wireless Charging Pad also supports non-magnetic devices.

One Year Limited Warranty

This wireless product is covered by a limited warranty to the original purchaser only in that this product is free from defects in workmanship and materials for ONE-YEAR from the date of purchase (damages through normal wear and tear, alteration, misuse, neglect, accident, service by anyone other than the authorized service center, or act of God not included). During the warranty period and with proper proof of purchase, this wireless product will be replaced. This limited warranty is in lieu of all other warranties, express or implied, including, but not limited to, implied warranty of merchantability or fitness for a particular use. For all warranty claims, the product must be returned in accordance with PureGear's return policy.

All trademarks and trade names are used for reference purposes only and are the property of their respective owners.
