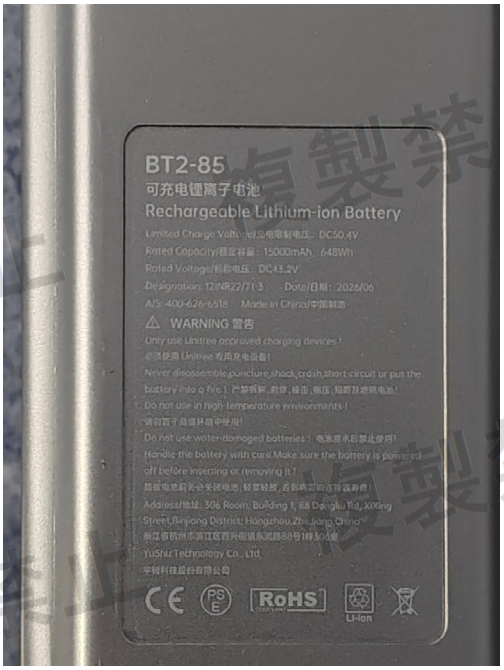
BATTERY CHARGER
MODEL:ADC-500YE-68-CU
INPUT : 100-240V~50/60Hz 6.0A
OUTPUT : 33.0-66.0V ⎓ 7.4A Max
488.0W Max
The output voltage/current is automatically adjusted by the connected equipment
MADE IN CHINA
SHENZHEN HONOR ELECTRONIC CO.,LTD
CAUTION/caveat
·INDOOR USE ONLY
·Pour une utilisation en intérieur uniquement
·DANGEROUS VOLTAGE INSIDE, DO NOT OPEN
·Tension dangereuse à l'intérieur, veuillez ne pas démonter
·This product is output through intelligent protocol negotiation. Please ensure that the communication interface of the battery pack is connected reliably
·Ce produit négocie intelligemment la sortie via le Protocole, veuillez vous assurer que la connexion de l'interface de communication du paquet de batterie est fiable



BT2-85
可充电锂离子电池
Rechargeable Lithium-ion Battery
Rated Capacity/额定容量：15000mAh，648Wh
Rated Voltage/标称电压：DC43.2V
Designation: 12INR22/71-3
Date/日期：2026/06
A/S: 400-626-6518
Made in China/中国制造
WARNING 警告
Only use Unitree approved charging devices !
必须使用 Unitree 专用充电设备!
Do not use in high-temperature environments !
Do not use water-damaged batteries !
Handle the battery with care.Make sure the battery is powered off before inserting or removing it !
YuShu Technology Co., Ltd.
RoHS
Li-ion
