Installation Steps

1. Open the battery compartment and remove the receiver for the keyboard/mouse.
2. Insert the appropriate AA/AAA batteries.
3. Plug the USB A receiver into a USB port on your computer or laptop (make sure the mouse switch is set to "ON").

Usage Tips

1. Avoid exposing the keyboard/mouse to extreme temperatures, humidity, or direct sunlight.
2. Clean the keyboard/mouse regularly to prevent dust and debris buildup. Use a soft cloth or professional keyboard cleaning tools for the keycaps and crevices.
3. If the keyboard/mouse malfunctions, do not attempt to disassemble or repair them yourself. Contact a professional repair technician or Acer customer service for assistance.

Usage Notes

1. Ensure the receiver is compatible with USB protocols.
2. Check that the PIN pins in the receiver are not depressed or bent, as this could affect connection and insertion.
3. Avoid spilling liquids onto the keyboard/mouse to prevent impacting its performance.
4. Store the product in a dry place and avoid exposing it to damp environments.

Troubleshooting

1. Check if the keyboard/mouse USB receiver is properly connected.
2. Ensure the keyboard/mouse is not too far from the receiver.
3. Try plugging the keyboard/mouse receiver into a different USB port.
4. Verify if the wireless keyboard/mouse has batteries installed or if the batteries are charged.
5. Restart the computer to ensure the system correctly recognizes the keyboard/mouse receiver.

CAN ICES(B)/NMB(B)

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.

- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications not expressly approved by the manufacturer could void the user authority, which is granted by the Federal Communications Commission, to operate this product.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

CE declaration of Conformity

Hereby, Acer Gadget Inc. declares that this Keyboard & Mouse Combos is in compliance with the essential requirements and the other relevant provisions of the Radio Equipment Directive 2014/53/EU and RoHS directive 2011/65/EU.

Disposal of Waste Equipment by Users in Private Household in the European Union

This symbol on the product or on its packaging indicates that this product must not be disposed of with your other household waste. Instead, it is your responsibility to dispose of your waste equipment by handing it over to a designated collection point for the recycling of waste electrical and electronic equipment. The separate collection and recycling of your waste equipment at the time of disposal will help to conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. For more information about where you can drop off your waste equipment for recycling, please contact your local city office, your household waste disposal service or the shop where you purchased the product.

Radiation Exposure Statement
