| All devices are fully charged             | The indicator light turns off                 |

### Operation Instructions

1. Charge up to three devices simultaneously: phone, watch, and earbuds case.
2. Power on: Use the included adapter and Type-C cable.
3. Place and charge:
  - Phone: Center area (align with the magnet).
  - Watch: Top circular area (Apple Watch only).
  - Earbuds: Bottom circular area (must support wireless charging).
4. Logo light: Turns on continuously for 5 seconds after power-on, then turns off. The intensity and on/off status can be controlled via a switch.

### Cautions

#### Applicable Devices

Please check whether your phone supports wireless charging. This product supports fast wireless charging and realizes short-distance wireless power transmission through coil induction.

#### Adapter Requirements

Please use a PD adapter with a power output of 45W or higher. For best performance, use the original adapter.

#### Warning

- Do not put metal debris or magnetic cards on the charging board, as it may cause the charger to heat up!
- Foreign objects should be removed when an alarm is triggered!
- Slight heating is a normal phenomenon, as the phone battery may generate heat during charging!
- Do not place the charger near a fire source or corrosive environment!

### FCC Radiation Exposure Statement

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance of 20cm between the radiator & your body.

### FCC Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This device has been tested and found to comply with the limits for a Class B digital device pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This device generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this device does cause harmful interference to radio or television reception, which can be determined by turning the device off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the device and receiver.
- Connect the device into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/television technician for help.

Caution: Changes or modifications not expressly approved by the manufacturer could void the user's authority to operate this product.

### Warranty & Customer Service

Thank you for purchasing our product. We provide comprehensive after-sales service to ensure you have an excellent user experience. To safeguard your rights, please read the following warranty instructions carefully:

1. This product offers a one-year warranty service under non-human factors:
  - (1) Returns and Exchanges: Supported within one month of purchase.
  - (2) Free Repairs: Supported within one year of purchase.
2. The warranty does not cover:
  - (1) Damage caused by improper use or unauthorized disassembly of the product.
  - (2) Product malfunctions caused by repairs not authorized by our company.
  - (3) Damage or malfunctions caused by external forces or other human factors.

The warranty period starts from the date of purchase. Please provide proof of purchase when seeking repairs. If proof of purchase is unavailable, the warranty period will be calculated from the manufacturing date.

This product is covered by LOCAL WARRANTY ONLY, valid only in the country/region where you purchased this product. For any warranty service, please contact your local dealer directly.
