SPECIAL INSTRUCTIONS

Set elements to knockout or overprint as necessary.
Apply appropriate trapping.

LIMITATION OF LIABILITY | Do not approve without proper inspection. It is the responsibility of the recipient to examine and proofread all digital files, film, plates, and proofs immediately upon receipt—prior to any printing. Should the work be found to be incorrect upon the inspection described above, email creative.services@energizer.com, ask for the production manager or graphic designer managing this job, and ensure that corrections are made prior to using this product. The liability of Energizer Holdings, Inc. shall be limited to correcting its own product. Energizer Holdings, Inc., shall not be liable for any other loss or damage including, but not limited to, costs of printing plates or cylinders, overtime, any press work, press delays, and/or missing of insertion dates.
