but we'd prefer you to call so we can chat.

QUICK PAIRING INSTRUCTIONS

1. From the off position, press and hold the multi-function button for 4 seconds until you hear "**ELITE PLUS 2 Activated** ", then you hear "**Ready To Pair**" and the LED light flashes blue and red alternately .
2. On your phone, access the Bluetooth menu and select **Add New Device**, or **Search for New Device.**
3. Select **ELITE PLUS 2** from the device list on your phone and you will hear "**Device Connected**".
4. If a passkey is required, enter "**0000**".

To safely recharge the battery, please refer to the ELITE PLUS 2 User Manual located online.

Your Blue Tiger ELITE PLUS 2 User Manual can be found on our website at:
https://bluetigerusa.com/pages/user-manuals-1#

This device contains licence-exempt transmitter(s)/ receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:
(1) This device may not cause interference.
(2) This device must accept any interference, including interference that may cause undesired operation of the device.

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

(1) L' appareil ne doit pas produire de brouillage;
(2) L' appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d' en compromettre le fonctionnement.

WARRANTY INFORMATION

1. Blue Tiger USA warrants that your product will be free from defects in material and workmanship for one year from the date of purchase. If, during the first year from the date of purchase, your product fails to work due to a defect in material or workmanship, Blue Tiger USA will repair or replace the product, at its election, free of charge. Without proof of purchase, the warranty period begins on the date of manufacture. Consumable components (for example, cushions and battery) are not included in this one-year warranty.
2. The foregoing limited warranty does not cover equipment failure attributable to accident, improper operation, misuse, abuse, or any cause other than defects in the materials or workmanship of Blue Tiger USA products.
3. Blue Tiger USA obligations under this warranty are limited to repair or replacement (at our option) of any defective part returned to Blue Tiger USA at the customer's expense. Returned products require a Return Authorization that may be obtained by calling 800-935-1165 or visiting BlueTigerUSA.com. Products returned to Blue Tiger USA for repair under this warranty will be return shipped to the customer at Blue Tiger USA expense.
4. THIS LIMITED WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Some jurisdictions do not permit the exclusion of implied warranties and the foregoing exclusions may not apply to you.
5. In no event shall Blue Tiger USA be responsible for any other damages whatsoever, including direct, indirect, special, incidental, consequential, or other damages for breach of this or any other warranty, expressed or implied.

* All headsets have a one-year warranty that requires sending the product to Blue Tiger Fulfillment Center. Please keep your receipt and register your products so we can assist you.

If you have any difficulties, please contact Blue Tiger USA before returning to your retailer. We can be reached at:

1-800-935-1165

We are available from 8am - 5pm US Central Time Monday through Friday except most major holidays.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) this device may not cause harmful interference, and

(2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
-Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
-Consult the dealer or an experienced radio/TV technician for help

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
