3 Type-C Cable

4 Magnetic Ring

4: Paramenters

Model	P4
Screen Resolution	640 × 1136
Screen Size	4 inches
Brightness	400 nits
Interface	Type-C
Power Supply	Type-C 5V / Built-in Battery
Power Consumption	<2.2W
Weight	88.4g
Dimensions	104.15 × 60 × 12.53 mm
Bluetooth Shooting	Supported
Transmission Frequency	2.4G / 5GHz
Transmission Distance	50m
Transmission Latency	As low as 40ms
Receiving Sensitivity	-85dBm
Battery Capacity	1200mAh (Typ.)

5: Hazardous Substances in Electronic Products

Component Name	Toxic and Hazardous Substances or Elements					
	Lead (Pb)	Mercury (Hg)	Cadmium (Cd)	Hexavalent Chromium (Cr6+)	Polybrominated Biphenyls (PBB)	Polybrominated Diphenyl Ethers (PBDE)
Screen						
Shell						
Circuit Board						
Wires						
Packaging Material						
Metal						
Battery						

- : Indicates that the content of the hazardous substance in all homogeneous materials of this component is below the limit requirements specified in GB/T 26575-2011.
- : Indicates that the content of the hazardous substance in at least one homogeneous material of this component exceeds the limit requirements specified in GB/T 26575-2011.

According to the Chinese electronic industry standard SJ/T 11364-2014 and relevant government regulations, this product and some of its internal or external components may carry an environmental protection use period label. The use period label may vary depending on the components and their manufacturers. The use period label on the components takes precedence over any conflicting or different environmental protection use period labels on the product.

6: Safety Precautions

- 1. Operating & Storage Temperatures:**
Use this product at 0°C to 35°C. Store it at -20°C to 45°C. Extreme temperatures can damage the device and battery. Avoid charging outside 0°C–35°C to prevent reduced performance or damage.
- 2. Heat Sources:**
Keep away from heat sources or pressurized containers (e.g., microwaves, ovens, heaters, stoves, pressure cookers). Exposure may cause overheating or explosion.
- 3. Certified Accessories Only:**
Use certified chargers, cables, and batteries. Unapproved accessories risk fire, explosion, or electric shock.
- 4. Water Exposure:**
This product is not waterproof. Avoid contact with liquids to prevent damage.

WARNING: These actions risk battery safety and device operation:

1. Disassembling the battery.

2. Crushing or puncturing the device.

3. Exposing to microwaves, flames, or extreme heat.

4. Contact with water or liquids.

Battery Note:
Higher screen brightness reduces battery runtime.

FCC Warning
This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE 1:
This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
Reorient or relocate the receiving antenna.
Increase the separation between the equipment and receiver.
Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
Consult the dealer or an experienced radio/TV technician for help.

NOTE 2:
Any changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

**The device has been evaluated to meet general RF exposure requirement.
The device can be used in portable exposure.**

EN Connection Steps

Android Connection Steps

Reverse Control:
Enable Bluetooth and connect to P4_XXXXXX

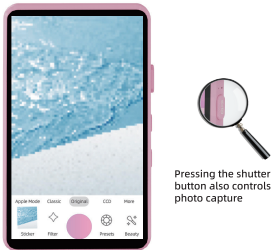

Screen Casting

- 1. Swipe down from the top of the screen to open the Quick Settings panel
- 2. Tap Cast → Select P4_XXXXXX to connect

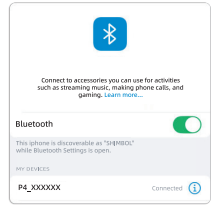

3. Once connected, you can fully control the mobile phone screen

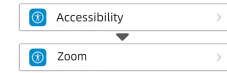

Apple Connection Steps

- 1. Turn on Bluetooth and connect to P4_XXXXXX

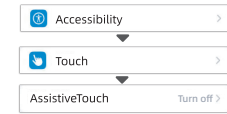

- 2. Go to settings-Accessibility-Zoom, then Turn On Zoom

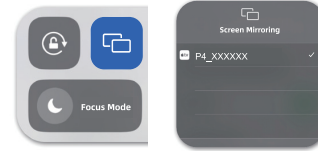

Note: with Zoom enabled, double-tap with three fingers to exit

- 3. Go to Settings-Accessibility -Touch then Turn Off AssistiveTouch

Screen Mirroring

- 1. Swipe down from the top-right corner of the screen to open Control Center
- 2. Tap Screen Mirroring → Select P4_XXXXXX to connect

- 3: After the settings are completed, you can fully remote control the phone screen

Note: Full reverse control requires iOS 17.0 or later
The reverse control function can't be used normally after zooming in or flipping the mirror image

EU/JP Connection Steps

Direct Connection Mode

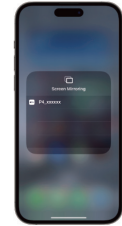

Connect P4 's internal Wi-Fi on the phone

Direct Connection Mode

WARNING:
DO NOT scan the QR Code on Android phones

Tap “Screen Mirroring” on the phone

Turn on P4 and enter the WLAN interface

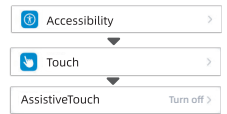

Go to settings-Accessibility-Zoom, then Turn On Zoom

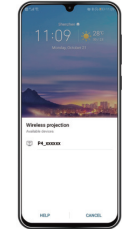

Note: with Zoom enabled, double-tap with three fingers to exit

Go to Settings-Accessibility -Touch then Turn Off AssistiveTouch

Tap “Wireless Projection” on the phone

Shutter Control

- 1. Turn on Bluetooth and connect to P4_XXXXXX

- 2. After connecting to Bluetooth, press the shutter button on P4 to shutter
