Apple, and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. IOS is a trademark or registered trademark of Apple in the U.S. and other countries and is used under license. Use of the Works with Apple badge means that a product has been designed to work specifically with the technology identified in the badge and has been certified by the product manufacturer to meet Apple Find My network product specifications and requirements. Apple is not responsible for the operation of this device or use of this product or its

compliance with safety and regulatory standards.

FCC Compliance Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the device.

FCC Warning

This device has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This device generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this device does cause harmful interference to radio or television reception, which can be determined by removing the battery, the user is encouraged to try to correct the interference by one or more of the following measures:

- (1) Reorient or relocate the receiving antenna.
- (2) Increase the separation between the device and receiver.
- (3) Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure statement. The device can be used in portable exposure condition without restriction.

FCC ID: 2A2UW-BK1100

Battery Safety Warning

- 1) Keep batteries away from infants and children.
- 2) Never put batteries in mouth.
- 3) If a battery is swallowed, it can cause severe internal burns in just two hours, and can lead to death.

This device is an aid to assist in locating your item. There is no guarantee that your item will be found. The location shown on the map is usually accurate, but only shows your tag's last known location. Your tag's location will be updated if another Apple device is near it. The tag cannot update its own location. Using this product to track other people is strictly prohibited. If you become aware that you or another person is being tracked with this product, immediately contact the authorities.

Your use of this product is subject to the Terms of Use, which can be found at www.yiptracker.com/termsfuse.
