

NFC antenna specifications

1. dimensions

22mm x 31mm

2. parameters

impedance: $1.84 + 85.3j$

inductance: 506nH

3. Antenna operating frequency band

Operation frequency:	13.56MHz
----------------------	----------

4. Declaration:

We, Wenzhou Jinbao Electronic Lock Co., Ltd., states that All measurements were performed radiated and therefore additional antenna gain documentation is not required.

Manufacturer

Wenzhou Jinbao Electronic Lock Co., Ltd.

Room 302, 2 Bldg., Wenchang Road 159, Puzhou Street, Longwan District, Wenzhou, Zhejiang Province, China
