Attention

*Please read these instructions carefully for safe use.

- Use only the voltage designated for the device.
(This product is charged at 5V and has a built-in protection circuit, but we recommended you to use the charger with the correct voltage.)
- When unusual sound, fume, smell, or damage are detected, immediately unplug the device and contact the service center or the seller that you bought the product from.
- Avoid exposure to rain or moisture.
- Avoid exposure to excessive heat or fire, or abusive use of the device.
- Do not disassemble, repair or modify to prevent risks of fire or electrical shock..
- Do not touch the device with wet hands to avoid electric shock accidents.
- Keep out of the reach of children.
- After charging is completed, the charging power should be disconnected in a timely manner to avoid prolonged overcharging.
- Do not insert any conductive material in the device.
- Do not place the device in direct sunlight or at high temperatures in a sealed..
- Store in a cool and dry indoor.
- When the device gets dirty, do not use chemicals such as alcohol or benzene, but wipe it out with a soft, dry cloth.
- In a quiet environment, there can be a slight noise but this is not a defect.
- When adding essential oil, the essential oil container should be removed and placed steadily on the table before adding the essential oil. Do not pour the essential oil directly from above the lampshade to prevent it from leaking into the interior of the product.
- Do not use the product horizontally or upside down.
- This warranty excludes users who have modified the device themselves.

Product Specification

Product Name	Mood Lighting
Model	TL-4
Dimensions	Φ40*Φ87.8*272mm
Color	White, Black, Green, Customized
Material	ABS+PC
Weight	350g
Color Temp	1800K/2200K/2700K
Brightness	≈60Lumen
Bluetooth	Version:5.0 Effective transmission distance:10meters
Speaker Power	4Q/5W
Aromatherapy Parameters	Essential oil container capacity: 5ml
Functional Mode	Mood Lighting lamp Bluetooth speaker Aromatherapy
Power	Mood Lighting lamp mode: Max 1W Bluetooth speaker mode: Average 0.6W Mood Lighting lamp + Bluetooth speaker mode: Average 1.6W
Lithium Battery	3.7V/2400mAh
Charging Interface	Type-C in put:5V/2A
Endurance Time	5~14h
Use Environment	0~40°C/RH < 90%
Certification	Optional:CE/UL/ROSH/FCC or other

FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment. This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

RF Exposure Information

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator and your body.

FCC ID: 2A33C-TL-4
