

**Declaration concerning Antenna Specification**

Federal Communication Commission  
Equipment Authorization Division, Application Processing Branch  
7435 Oakland Mills Road  
Columbia, MD 21046

**Date: 2024-1-3**

**TO WHOM IT MAY CONCERN**

It is hereby declared that the product

**Model No.: Puya**

**FCC ID: 2A33N-AP40**

Fulfills the requirement in FCC test relating to the antenna type.

The device specified above confirms to the FCC recommendations for FPC antenna type(s) described below:

| Antenna No. | Model No. of antenna: | Type of antenna: | Gain of the antenna (Max.)                                                                                                                                                                                                                                                                                                    | Frequency range: |
|-------------|-----------------------|------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------|
| GSM         | /                     | FPC Antenna      | 1.35dBi(max.) For GSM 850<br>1.45dBi(max.) For PCS 1900                                                                                                                                                                                                                                                                       |                  |
| WCDMA       | /                     | FPC Antenna      | 1.45dBi(max.) For WCDMA Band II<br>1.36dBi(max.) For WCDMA Band IV<br>1.35dBi(max.) For WCDMA Band V                                                                                                                                                                                                                          |                  |
| LTE         | /                     | FPC Antenna      | 1.45dBi(max.) For E-UTRA Band 2<br>1.36dBi(max.) For E-UTRA Band 4<br>1.35dBi(max.) For E-UTRA Band 5<br>1.25dBi(max.) For E-UTRA Band 12<br>1.45dBi(max.) For E-UTRA Band 25<br>1.35dBi(max.) For E-UTRA Band 26<br>2.35dBi(max.) For E-UTRA Band 41<br>1.36dBi(max.) For E-UTRA Band 66<br>1.20dBi(max.) For E-UTRA Band 71 |                  |

The antenna will be fixed to the radio module by integral connector, and no other antennas not listed above should be used.

*Sincerely,*
