

BOOMPADS®

In partnership with #Tide, using reclaimed ocean-bound plastic to create products that are practical and thoughtfully made.

They provide the material; we bring the design and tooling to make these audio products a reality.

wavebuds

In the Box

The recycled material used to make this product may have traces of the wide mix of types of plastics collected, this can allow some minor black spots and imperfections to appear upon the surface. These are normal and do not affect the performance of the product.

How to Connect

For First-Time Use:

1. Open the charging case.
2. Remove the earbuds.
3. The buds will automatically pair together and enter the pairing stage.
4. Turn on Bluetooth on your pairing device (phone).
5. Select "wavebuds" from the list of available devices.
6. Wait for the connected confirmation.

Note: After you have completed these steps, the earbuds will automatically connect to your device the next time.

In pairing mode If not connected after 3 mins earbuds will power down.

Charging

Flashing white LED on case: Indicates it's ready to charge. Use the provided USB-C charging cable.

Charging Buds

Quick Fit Guide

- ① Point the silicone tip downward and gently insert into your ear canal.
- ② Rotate the earbud until it feels snug and sits behind the concha.
- ③ Adjust for comfort and best sound quality.

Tip: A better fit means better sound.

Touch Controls

Reset

In the unlikely case of any pairing problem

1. Remove from phone bluetooth menu.
2. Press 5 times both earbuds at the same time.
3. now re-pair to your phone like for the first time.

Product Name: wavebuds
Input: DC 5V, 70mA fast charge
Material: OBP (Ocean Bound Plastic)
Charging case input: 50.35A
Bluetooth version: V5.3
Charging time: 2h
Noise reduction: ENC
Frequency response range: 20Hz~20KHz
Communication distance: 10m
Charging interface: Type-C
Product weight: 31g
Playing time: about 5h volume (80%)
Earbud battery: 35mAh / 3.7V
Total playback time: 22h
Charging case battery: 280 mAh / 3.7V
Product size: 60.2*45.8*23.6 (mm)

FCC statment

FCC id: 2A36Q-WAVEBUDS

This device complies with Part 15 of the FCC rules. Operation is subject to the following twoconditions: 1) this device may not cause harmful interference, and 2) this device must acceptany interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void your authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digitaldevice, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonableprotection against harmful interference in a residential installation.

This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with instructions, may cause harmful interference to radio communications.However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determinedby turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connect.
