BOOMPODS®

ZERO XL

eco-friendly rugged waterproof speaker with big bass

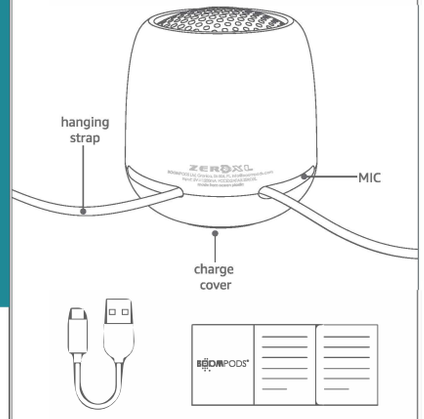

But how is this possible? I mean, this was plastic waste!

Yes. But when it comes to the most common used materials we're collecting, for instance PET bottles, this waste already had food grade during its first lifecycle. After collecting it, our local teams are washing and sorting the plastic which is then shredded into flakes. After this step, the innovative technology we have developed with the Swiss University of Applied Sciences OST, takes over: We transform these flakes into pellets in a pure mechanical process, neither chemicals nor virgin plastics are being added. We use the latest technology and apply physical methods (vacuum, decompression, degassing, melting) to transform waste and extend the molecular chains of these wasted polymers. The result is a strong, clean and reliable material.

MADE FROM OCEAN MATERIAL

#tide OCEAN MATERIAL

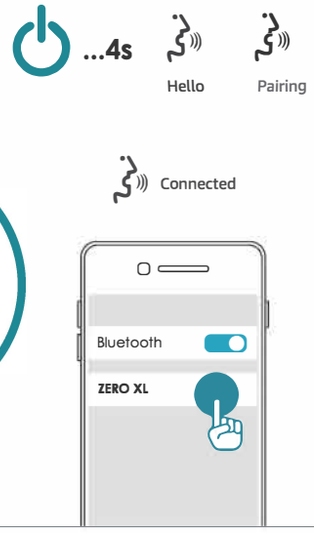

The recycled ocean plastic used to make this product may have traces of the wide mix of types of plastics collected, this can allow some minor black spots and imperfections to appear upon the surface. These are normal and do not affect the performance of the product. The material is unique in character and happy not to be in the Sea.

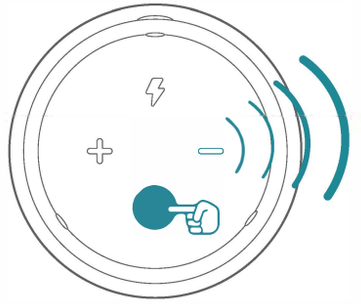

How to Connect

Switch ON: LED will flash under charg cover,
Choose "ZERO XL" from your device menu,
Wait until you hear voice prompt "Connected",
You are now connected.

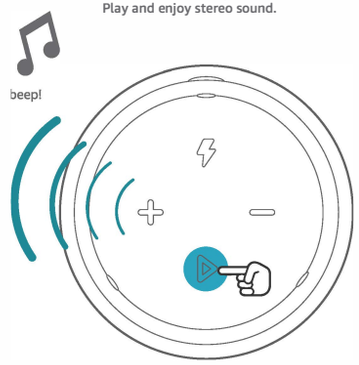

Making a stereo pair.

speaker 1.

Pair to 1 Speaker as previous page.
Switch ON speaker 2.
Now press HOLD ▷ speaker 1. for 1s
or until you hear a "du du".
Now WAIT until you hear a "bleep" sound.
You are now dual paired.
Play and enjoy stereo sound.

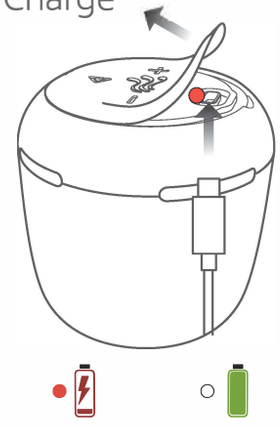

speaker 2.

Product Name	ZERO XL
Type	Waterproof Bluetoothspeaker
Compatibility	Devices with Bluetooth 5 or lower
Warranty	12 months
IPX Rating	IPX 7
Features	Waterproof , Mic, Volume up, Volume down, Skip Tracks, selfie & Dual pairing
Play Time	9H @ 70%
Cables	USB-C to USB-A
Battery	1200mah 3.7V @ 4.44Wh
Chargetime	2h
frequency range	2.4-2.480 GHZ
Sensitivity	-42dB(3V,2.2KΩ:0dB=1V/Pa,1KHz), omni-directional, S.N. R≥60dB
Micfrequency range	20hz-20khz
Working Current	≤ 50mA +/-5(minimumvolume)
Working Voltage	DC 3.3-4.25 V
Speaker	5W - 50mm + Passive bass port.
Bluetooth	V5.3

FCC statment

FCC ID: 2A36Q-ZEROXL

Thisdevice complies with Part 15 ofthe FCC rules. Operation is subject to the following twoconditions: 1)this device may not cause harmful interference, and2) thisdevice must acceptany interference received, includinginterference thatmay cause undesired operation.

Changes or modifications not expressly approved by the party reponsible for compliance could void your authority to operatethe equipment.

NOTE: This equipmenthas beentested and found to comply withthe limits for a Class B digitaldevice, pursuantto Part 15 of the FCC Rules. These limits are designed to provide reasonableprotection against harmful interference in a residential installation.

This equipmentgenerates uses and can radiate radio frequency energy and, if not installed and used in accordance with instructions, may cause harmful interference to radio communicationsHowever, there is no guaranteethat interference will not occur in a particular installation. If this equipment does cause harmfulinterference to radioor television reception, which can be determinedby turning the equipment offand on, the user is encouraged to try tocorrectthe interference by one or more of the following measu res:

Reorientor relocatethe receiving antenna.
Increase the separation between the equipmentand receiver.
Connect theequipment into anoutlet on a circuit different fromthatto which the receiver is connect.
Consultthe dealer or an experienced radio/TVtechnician for help.

The device has been evaluated to meetgeneral RF exposure requirement, the device canbe used in portable exposu reondition without restriction.

The Declaration of Conformity can be found at: https://www.boompods.com/product/ZERO XL Hereby, Boompods declares thatthe radioequipment type [Speakerwith Bluetooth] is in compliance with Directive 2014/53/EU. FCC ID: 2A36Q-ZEROXL
