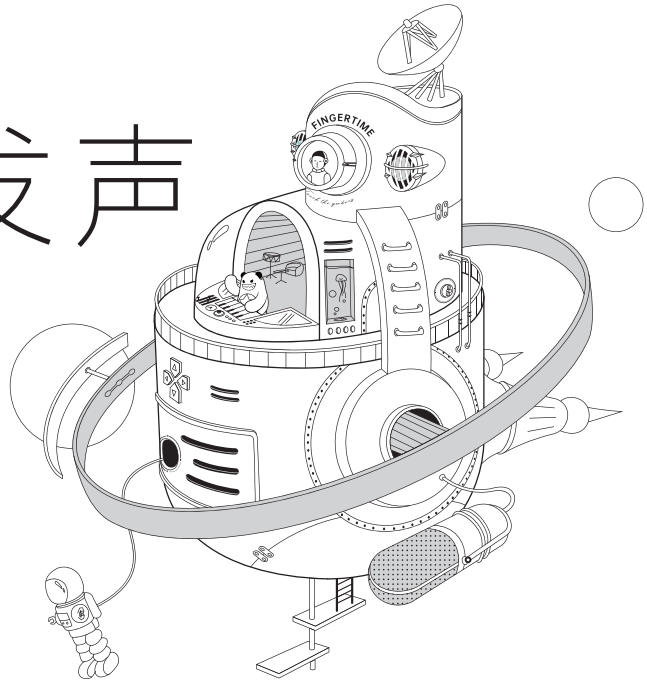
注意事项
Note

蓝牙耳机进入配对模式后若无配对连接操作，请关闭设备避免电量损耗。
搜索蓝牙时不要进行其他操作，防止程序出错。
在使用中请选择适当的音量，以防对耳朵造成伤害。
请注意蓝牙耳机的良好使用环境，避免对耳机造成损伤。
长时间未使用的耳机，请先将耳机进行一次充电过程后再使用。

If no pairing connection after the Bluetooth headset enters the pairing mode, please turn off the headset to save power.
Do not perform other operations when searching Bluetooth to prevent the program error.
Please select a proper volume while using to prevent damage to your ears.
Please note that a good environment for using the Bluetooth headsets can avoid damage to the headsets.
Please charge the headset after a long time none-use.

Touch the goodness

让美好一直发声



在90年代初，耳机刚刚民用化、商用化时，
我们便深耕于音频制造，我们为多家国外品牌做代工生产。

/

“时至今日，我们历经32年的沉淀...”
我们倡导“相信文化 相信技术”
并将这一价值观作为品牌文化的核心基石贯穿品牌发展和
产品生产的各方面，以文化艺术与科技技术的视角，
实践与人相关的感动设计。

FCC STATEMENT :

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and
(2) This device must accept any interference received, including interference that may cause undesired operation.
Warning: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.

Increase the separation between the equipment and receiver.

Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for help.

RF warning statement:
The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
