Solder Board-Component View 2	 A photograph of a green printed circuit board (PCB) component, labeled '2', placed on a blue textured surface. The component is rectangular and populated with various electronic components, including a large black integrated circuit (IC), a smaller black IC, a black cylindrical component, and several surface-mount components. A black ruler with white markings is positioned horizontally below the component, showing measurements in millimeters (mm) from 0 to 100. The component's length is approximately 100 mm, and its width is approximately 20 mm.
Solder Board-Component View 3	 A photograph of a green printed circuit board (PCB) component, labeled '3', placed on a blue textured surface. The component is small and rectangular, featuring a USB connector and a small black integrated circuit (IC). A black ruler with white markings is positioned horizontally below the component, showing measurements in millimeters (mm) from 0 to 100. The component's length is approximately 20 mm, and its width is approximately 10 mm.
