

Solder Board-Component View 8	 A photograph showing a small green electronic component with four solder pads, mounted on a blue textured surface. The component is positioned next to a black ruler with white markings. The ruler has two scales: a vertical scale on the left (0 to 80 mm) and a horizontal scale at the bottom (0 to 100 mm). The component is located at approximately 10 mm on the vertical scale and 30 mm on the horizontal scale.
Solder Board-Component View 9	 A photograph showing a white cable with a brown paper sleeve, mounted on a blue textured surface. The cable is positioned next to a black ruler with white markings. The ruler has two scales: a vertical scale on the left (0 to 100 mm) and a horizontal scale at the bottom (0 to 100 mm). The cable is located at approximately 10 mm on the vertical scale and 30 mm on the horizontal scale.
