Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation. Warning: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: -Reorient or relocate the receiving antenna. -Increase the separation between the equipment and receiver. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. Consult the dealer or an experienced radio/TV technician for help. RF warning statement: The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.	•FCC STATEMENT This device complies with part 15 of the FCC Rules. This product is not a toy. Do not treat this product as household waste. Dispose of this device properly by handing it over to local collection services for recycling of electronic equipment. By ensuring that this product is properly disposed of, you will help prevent potential negative consequences for the environment and human health, which could otherwise be caused by inappropriate disposal. As we are committed to providing information about this product, please contact your local household waste disposal service or the shop where you purchased this item. 	•INSTRUCTIONS POWERING ON • Press the power button for 3 seconds to power on. Pairing mode is indicated by flashing red and blue lights. Please make sure the speaker is charged sufficiently. PAIRING THE DEVICE • Enable Bluetooth® on the device you want to connect the speaker to and connect your device to IJOY RAINBOW. Once the connection is successful, blue lights will flash and music will start playing from the speaker. CHARGING • Connect the charging cable to the micro port of the speaker and a power source. Red lights indicate that the device is charging. It is fully charged once the red light is off. POWERING OFF • Press the power button for 3 seconds to turn off. •ONE (1) YEAR LIMITED WARRANTY Our product is warranted for a one (1) year limited warranty from the date of purchase. The warranty is provided on all material defects and workmanship. Guarantee of 12 months does not apply to decrease in the accumulator's effective capacity caused by its use or age. Effective capacity gradually decreases depending on the method of use of the accumulator. WE RESERVE THE RIGHT TO CHANGE TECHNICAL SPECIFICATIONS. For more information please visit, www.gojoy.com
