Input voltage/current: DC 5V/1A Working frequency: 115kHz ~ 205KHz
Output power: 5W
Transmission Distances: 4mm
Efficiency: ≥75%

FCC WARNING

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

RF warning for WPT device:

The equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

During the operation of device a distance of 15cm surrounding the device and 20 cm above the top surface of the device must be respected.

•OTHER IMPORTANT SAFETY INFORMATION

Disposal of old electrical & electronic equipment (Applicable in the European Union and other European Countries with separate collection systems.) The trash can symbol (seen on bottom right) on the product or on its packaging indicates that this product shall not be treated as household waste. Instead it shall be handed over to the applicable collection point for recycling of electronic equipment. By ensuring this product is disposed of correctly, you will help prevent potential negative consequences for the environment and human health, which could otherwise be caused by inappropriate waste handling. For more detailed information about this product, please contact your local household waste disposal service or the shop where you purchased this item.

•ONE (1) YEAR LIMITED WARRANTY

Our product is warranted for a One (1) year limited warranty from the date of purchase. The warranty is provided on all material defects and workmanship. Guarantee of 12 months does not apply to decrease in the accumulator's effective capacity caused by its use or age. Effective capacity gradually decreases depending on the method of use of the accumulator. WE RESERVE THE RIGHT TO CHANGE TECHNICAL SPECIFICATIONS. For more information please visit, www.goijoy.com
