Ref: FCC new Grants for FCC ID: [2A3JW-EM25](#)
Applicant Name: [Eitan Medical Ltd.](#)

Dear Examiner,

The host [Sapphire Connect](#) (FCC ID: [2A3JW-EM25](#)) is a new product with one certified module ([LTE Cat M1& Cat NB2&EGPRS Module](#) (Module FCC ID:[XMR202005BG95M5](#))). Grant date: [08/07/2020](#)) integrated.

This module is a single module, which is integrated into the host without any impact on the RF performance. The host ([Sapphire Connect](#)) only reserves the LTE&GSM band for this module, and the remaining bands are all software-disabled. Considering that the antenna is designed for the host ([Sapphire Connect](#)), we retested the power/ERP/EIRP and RSE when the module is integrated into the host.
