

LEPRO INNOVATION INC.
Model Difference

2026-03-09

EUT NAME: AI Smart TV Backlight
MODEL : STV1-5, STV1-3
FCC ID: 2A3MASTV1
IC: 27538-STV1

All the model are the same circuit and RF module, except model names and the length of the light strip. STV1-5 is 5m light strips, STV1-3 is 3m light strips.

The Two models length of lamp strings and adapter are different, the RF chip remains unchanged.

Model: STV1-5

Model: STV1-3
