Re: FCC ID: 2A3P5HIFIS1

Greetings,

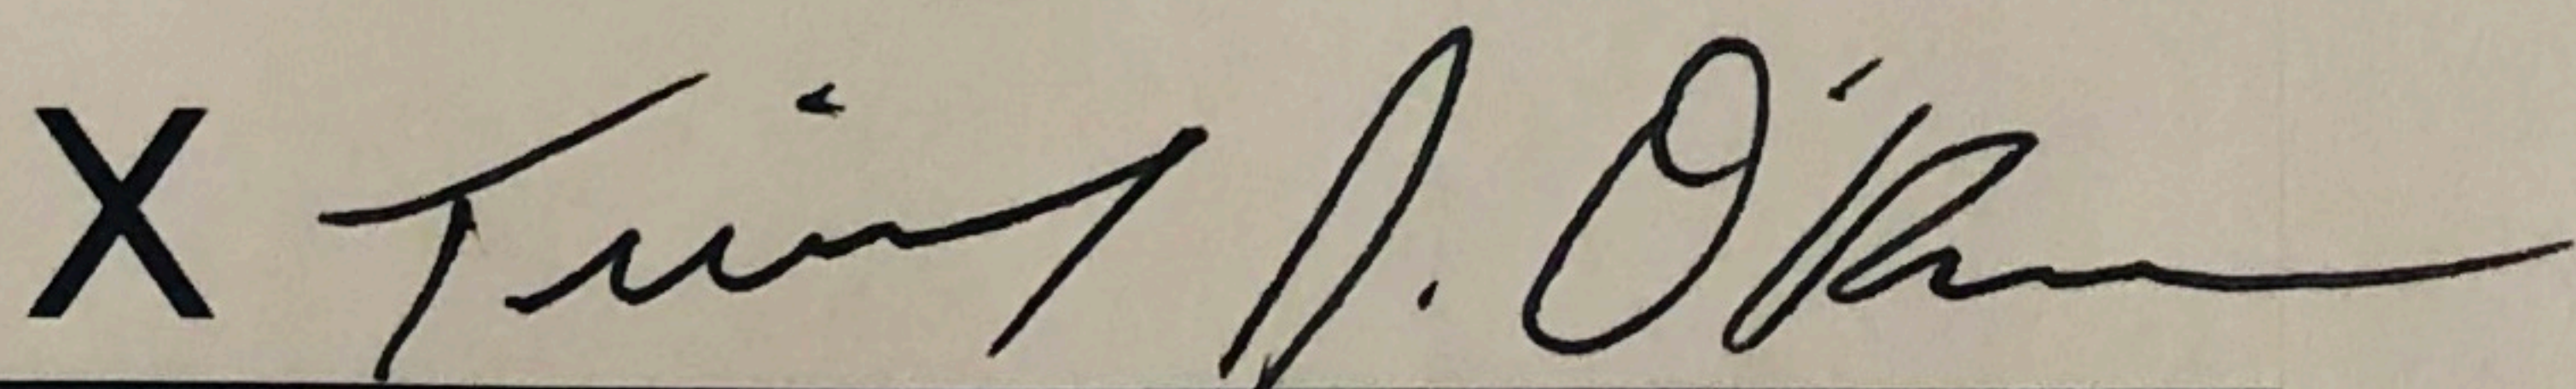

Pursuant to FCC 47 CFR 0.457(d) and 0.459, the applicant requests that a part of the subject of FCC application be held confidential on a short term basis: Internal Photos, External Photos, Test Setup Photos and User's Manual

Electrical Materials requests the exhibits selected above as short term confidential be withheld from public view for 180 days from the date of the Grant of Equipment Authorization and prior to marketing. This is to avoid premature release of sensitive information prior to marketing or release of the product to the public. Electrical Materials is also aware that we are responsible to notify CETCB in the event information regarding the product, or the product itself is made available to the public. CETCB will then release the documents listed above for public disclosure pursuant to FCC Public Notice DA 04- 1705.

If you have any questions, please do not hesitate to contact us at (262) 279-3812.

Sincerely,

(Sign here)
