

## Labels and Locations

### Sample label for Rams

### Label location on rams

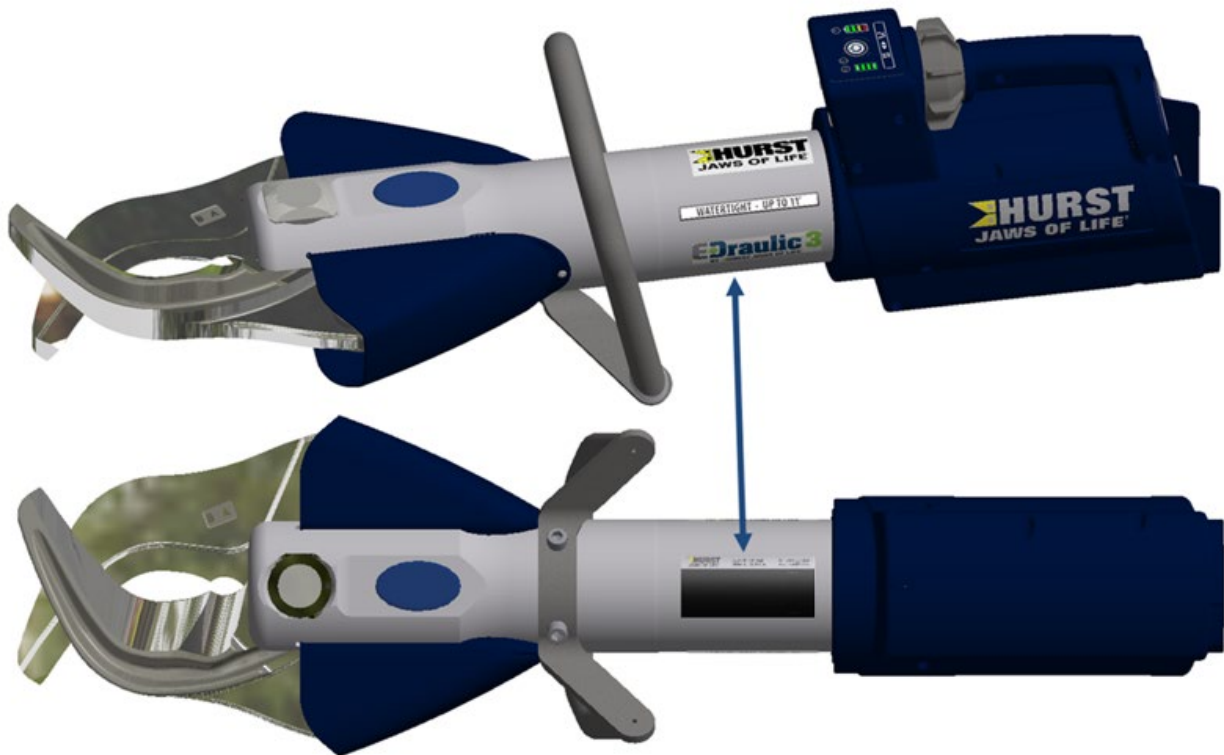

Sample label for all other tool models (spreaders, cutters and combis)

Label will be on the underside of the cylinder.

For the majority, it will be as shown here:

For the two smaller tool models, the orientation is different by 90°

The following statement, in both English and French shall be printed in the operations manuals:

#### English

This device complies with part 15 of the FCC Rules and to RSS of Industry Canada.

Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

#### French

*Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.*
