⑤ Volume Control / Music Control 	⑥ Play / Pause / Answer / Hang Up / Reject 	⑦ Charge Battery To charge, plug one end of the charging cable into the charging port and the other end into the mains. Um zu laden, stecken Sie ein Ende des Ladekabels in den Ladenschluss und das andere Ende in das Stromnetz. Pour charger, branchez une extrémité du câble de chargement dans le port de charge et l'autre extrémité dans le secteur. Enchufe el cable de carga en el puerto de carga y conecte el fuente de alimentación para cargar. Per ricaricare, inserire un'estremità del cavo di ricarica nella porta di ricarica e l'altra estremità nella rete elettrica. 充電ケーブルをに入れておきます。 	FCC STATEMENT Operation is subject to the following three conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. (3) This device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction. Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: • Reorient or relocate the receiving antenna. • Increase the separation between the equipment and receiver. • Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. • Consult the dealer or an experienced radio/TV technician for help.
