5. Phone Call

Connect to the bracelet through the phone's Bluetooth to make and receive calls

(*Note: Other functions must be connected to the bracelet via APP (Da Fit) to use).

Points to note when using:

1. If the bracelet has been connected by another mobile phone, please disconnect it from the original mobile phone first.

At the same time, the wristband will restore the factory settings once in the settings.

2. Please note that the Bluetooth name of the call connection is "Audio_FE1". (**This "Audio_FE1", (**This device must not be connected to a Bluetooth device named "FE1", otherwise it will appear when the APP is connected, and the search cannot be found here. Problems with equipment**).

3. Please do not leave the bracelet more than 5 meters away from the phone during a call, otherwise the call quality will be affected.

6. Phone Call

In the mobile phone operation: settings-Bluetooth-search for "Audio_FE1" after connecting

You can dial or answer the call
