

User Manual

Dear customer:

First of all, thank you for your trust in our products. In this world, we met and reached an agreement. Your trust is our most precious gift, and we are very honored and cherished!

If you are satisfied with our products, please share with your family and friends. At the same time, please pay attention to whether there are related praise gift activities on the homepage of the purchased sales platform product. We sincerely look forward to your participation and hope that you can click on all the stars in the evaluation as an encouragement to our customer service.

Your evaluation is the life of our company's sustainable development! If you have any questions or help about our products, please contact us as soon as possible through the Amazon website, so that we have the opportunity to provide you with timely and effective help and give us praise. Thank you very much for your tolerance and support!

I wish you and your family health and happiness forever. All the staff of SGIN look forward to seeing you again!
