- Do not use this device in any way other than what is outlined in this guide.
- Handle the device with care. Do not drop, puncture, or disassemble this device. There are no serviceable parts inside.
- Do not use this device to operate a heater, other heat-emitting device, or any appliance that could cause a hazardous condition if powered on when unattended.
- Do not use for use with medical, life support, or other critical equipment.
- Plug fully and securely into an easily accessible power outlet.
- Only use this device with properly grounded outlets. Do not remove or bypass the grounding prong on the plug.
- Do not force the device into an incompatible outlet or modify the plug to fit.
- Do not use with devices that require more than the specified rating of 15 amps. Please check your device's electrical requirements before plugging in.
- Do not use with devices that exceed the amp rating of the electrical outlet's circuit breaker.
- Unplug the device if unused for an extended period of time, and during power outages or lightning storms.
- Do not plug one smart plug into another smart plug.
- Do not use this device in small, enclosed locations that could limit the flow of air or trap excess heat.
- Before plugging in your appliance, be sure the appliance is switched off.
- Do not use this device if the cord or casing appears damaged. Discontinue use immediately if the device becomes damaged.
- Avoid closing doors or windows on the power cord and avoid subjecting the power cord to sharp edges that could puncture or damage it.
- Avoid excessively bending the power cord.
- Do not insert objects into the openings of this device.
- Do not submerge the device in water or allow the plug contacts to get wet.
- Do not expose this device to open flames or use near fire, heat sources, or combustible chemicals or materials.
- Use a clean, soft cloth to clean the exterior of the device only. Do not attempt to clean inside the product. Do not use any corrosive cleaners/oils to clean.
- Keep the device free of dust and debris. Unplug the device from any outlets before attempting to clean.
- When not in use, keep the outlets covered to reduce the risk of electric shock in damp conditions.

## GETTING STARTED

Thank you for choosing the Monster Smart Deck Lights!
This manual will help you set up and install your product.

### WHAT'S IN THE BOX

- Smart Plug
- Quick Start Guide

### WHAT DO YOU NEED?

- Wi-Fi router with 2.4GHz 802.11 network
- Mobile device running Android 9.0 Pie or higher / iOS 12 or higher, with Bluetooth and location enabled
- Monster Smart Lighting app on your mobile device

**TIP:** Do you know your Wi-Fi network name and password? Write it down now if it's hard to remember.

**NOTE** Proper operation of this device can be affected by walls, distance from the wireless router or access point, and radio frequency (RF) interference. For best results, operate the device within range of the device and the router/access point, minimize the number of walls and ceilings in between, and keep the plug away from electrical devices that may generate RF noise.

## SETUP COMPLETE SETUP BEFORE INSTALLATION

Before getting started, remove all components from the packaging. Confirm the following for a smooth pairing process:
- Make sure your phone or tablet is successfully connected to the 2.4GHz Wi-Fi network that your plug will be placed on.
- Enable Bluetooth and location services. To find pairable devices and successfully connect them on your home network, you must allow these permissions when prompted.

### STEP 1

Download the free **Monster Smart Lighting** app from the App Store (for iPhone) or Google Play Store (for Android phones). Open the **Monster Smart Lighting** app and create an account by following the on-screen instructions.

SMART LIGHTING | Download on the App Store | GET IT ON Google Play | SCAN HERE TO INSTALL

### STEP 2

Before you start, we need to set up a few things for a smooth pairing process:
- Make sure your phone or tablet is successfully connected to the **2.4GHz Wi-Fi network** that your device will be placed on.
- Enable **Bluetooth** and **location** - To find pairable devices and successfully connect them with your home network, you must allow access to location services when prompted.

### STEP 3

Plug your Dual Outlet Smart Plug into an appropriate wall outlet.

**NOTE:** The indicator light on the plug should start blinking rapidly blue (about 4 times per second) to show it is in EZ pairing mode.

To enter pairing mode at any time, press and hold the power button for 5 seconds.

| LED BEHAVIOR | DEVICE STATUS |
|---|---|
| Flashing Rapidly | EX Pairing |
| Flashing Slowly | AP Pairing |
| Solid | Power On |
| Off | Power Off |

### STEP 4

Confirm that the device is in pairing mode, LED is RAPIDLY blinking.

In the **Monster Smart Lighting** app, select the "+" in the upper right corner of the home screen to add a new device.

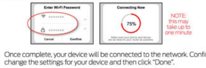

The app will detect the nearby Wi-Fi+BLE enabled device and ask if you would like to add it, click "Go to add".
Ensure that the device is checked and then click the "+" button.

### STEP 5

Confirm that the network displayed is your **2.4GHz Wi-Fi network**, then enter your Wi-Fi password and click "Confirm".

Once complete, your device will be connected to the network. Confirm or change the settings for your device and then click "Done".

You can now use the app to add voice control (see pg 7), adjust settings, create custom lighting effects, set schedules, and more!

### STEP 6

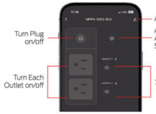

Once the pairing process is complete, your plug will receive any available updates directly from your Wi-Fi network. Note that installing the newest and best features may take up to 5 minutes.

## OPERATION

**BUTTON OPERATION:**
Single Press: On/Off
Press and Hold for 5 Seconds: Enter/Cycle Through Pairing Modes

**APP OPERATION:**

**ADVANCED SETTINGS:**
**Power-On Behavior:** Specify which outlet(s) you want to power on when you power on the plug:
- **Both Outlets OFF:** When the plug is powered on, both outlets will remain off.
- **Both Outlets ON:** When the plug is powered on, both outlets will automatically power on.
- **Restore Previous Status:** When the plug is powered on, the outlets will automatically match their on/off status from the last time the plug was powered on.

**LED Light Behavior:** Specify how you want the LED light to behave:
- **Indicate Switch On/Off:** The LED light will turn on only when the plug is powered on.
- **Indicate Switch Location:** The LED light will turn on at night, even when the plug is powered off, so you can see the plug in the dark.
- **Indicator LED off:** The LED light will ALWAYS be off.
- **Indicator LED on:** The LED light will ALWAYS be on.

**Child Lock:** This locks the power button on the plug. To disable child lock, toggle this setting off or press the power button on the plug 4 times in a row.

## OPERATION (CONT.)

**ADVANCED TIMERS AND SCHEDULES:**

Select the clock icon beside either outlet to access advanced timers and schedules for that outlet.

**Timer:** Set a timer between 1 minute and 23 hours + 59 minutes to automatically turn the outlet on or off. If the outlet is currently on, it will turn off when the timer ends. If it's off, it will turn on when the timer ends.

**Schedule:** Schedule your outlet to turn on or off at a specified time + day(s).

**Circulate:** Schedule your outlet to turn on/off within a specific time interval on your chosen day(s).

**Random:** Schedule a timeframe for your lights to randomly turn on/off within the range (ideal for when you're away and want to make it seem like you're home).

**Inching:** Think of this feature as an auto-shutoff. Once the plug is turned on, it will automatically power off after the time period of your choosing, anywhere from 2 seconds to 60 minutes.

**Don't return this product to the retailer, we're here to help.**

**Please call/write us for customer support: 866-246-2008**
**customerservice@monsterilluminessence.com**

**Q: My device won't connect to my network!**

**A1:** . Make sure you're connected to your 2.4GHz Wi-Fi network and your device is blinking blue before you try to connect it. If your Wi-Fi network is a mixed 2.4GHz/5GHz network, you may need to access your router settings or call your Internet Service Provider to create a separate 2.4GHz network.

**A2:**. Make sure you enable Bluetooth and location permissions on your phone or tablet to find nearby devices.

**A3:** You may need to reset your device if you are having trouble. Press and hold the power button to enter pairing mode.

**A4:** Make sure your phone, your Wi-Fi router, and your lights are within 10 feet of each other during the pairing process. You can also purchase a Wi-Fi extender to increase your Wi-Fi range and strength.

**Q: Will this Monster Smart Lighting product work with my other Monster Illuminessence devices?**

**A1:** YES! Using the Monster Smart Lighting / Monster STAR app, you can control both your new Monster Smart Lighting products and any legacy Monster Illuminessence products in the same app.

**A2:** Both platforms can be controlled through the use of third third party integrations like Hey Google, Amazon Alexa, Siri Shortcuts, and Razer Chroma RGB.

**Q: Why is my device unresponsive after pairing?**

**A:** Your device may have installed a necessary update and needs to reboot. Please unplug the power and reconnect to resume operation.

## NOTES

### WARRANTY

**1 Year Limited Warranty** - Please read and understand all instructions before using this product. If damage is caused by failure to follow the instructions, this warranty is null and void.

### FCC Compliance

This device complies with Part 15 of the FCC. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
—Reorient or relocate the receiving antenna.
—Increase the separation between the equipment and receiver.
—Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
—Consult the dealer or an experienced radio/TV technician for help.
RF Exposure Statement
To satisfy FCC's RF exposure requirements, a separation distance of 20 cm or more should be maintained between the antenna of this device and persons during device operation. To ensure compliance, operations at closer than this distance is not recommended.

## 1 YEAR LIMITED WARRANTY

Jem Accessories, Inc. Limited Warranty Policy for Monster Smart Products Last Updated: March 27, 2020
This limited warranty contains important information about your rights and obligations, as well as limitations and exclusions that may apply to you.
1. WHAT THIS LIMITED WARRANTY COVERS; PERIOD OF COVERAGE Jem Accessories, Inc. ("Jem Accessories"), 32 Brunswick Ave, Edison, New Jersey, USA, warrants to the owner of the enclosed Monster Smart-branded product contained in this box ("Product") will be free from defects in materials and workmanship for a period of one year. Notwithstanding the foregoing, the Warranty Period for a factory refurbished Product is one (1) year, even if installed by a professional. If the Product fails to conform to this Limited Warranty during the Warranty Period, Jem Accessories will, at its sole discretion, either (a) repair or replace any defective Product or component; with proof of purchase using original documentation. Repair or replacement may be made with a new or refurbished product or components, at Jem Accessories's sole discretion. If the Product or a component incorporated within it is no longer available, Jem Accessories may, at Jem Accessories's sole discretion, replace the Product with a similar product of similar function. This is your sole and exclusive remedy for breach of this Limited Warranty. Any Product that has either been repaired or replaced under this Limited Warranty will be covered by the terms of this Limited Warranty for the longer of (a) ninety (90) days from the date of delivery of the repaired Product or replacement Product, or (b) the remaining Warranty Period. This Limited Warranty is not transferable from the original purchaser to subsequent owners.
2. TOTAL SATISFACTION RETURN POLICY If you are the original purchaser of the Product and you are not satisfied with this Product for any reason, you may return it in its original condition to the retailer in compliance with the retailer's return policy.
3. WARRANTY CONDITIONS; HOW TO GET SERVICE IF YOU WANT TO CLAIM UNDER THIS LIMITED WARRANTY Before making a claim under this Limited Warranty, the owner of the Product must (a) visit monsterilluminessence.com/support during the Warranty Period to provide notice of your warranty claim and describe the alleged failure, and (b) comply with Jem Accessories (or its authorized distributor's) return shipping instructions. Jem Accessories will have no warranty obligations with respect to a returned Product if it determines, at its reasonable discretion after examination of the returned Product, that the Product is an Ineligible Product (defined below).
4. WHAT THIS LIMITED WARRANTY DOES NOT COVER This Limited Warranty does not cover the following (collectively "Ineligible Products"): (i) Products marked as "sample" or "Not for Sale", or sold "AS IS"; (ii) Products that have been subject to: (a) modifications, alterations, tampering, or improper maintenance or repairs; (b) handling, storage, installation, testing, or use not in accordance with any quick start guide, manual or other instructions provided by Jem Accessories; (c) abuse or misuse of the Product; (d) breakdowns, fluctuations, or interruptions in electric power or the telecommunications network; or (e) Acts of God, including but not limited to lightning, flood, tornado, earthquake, or hurricane; or (iii) any non-Jem Accessories branded hardware products, even if packaged or sold with Jem Accessories hardware. This Limited Warranty does not cover consumable parts, including batteries, unless damage is due to defects in materials or workmanship of the Product, or software (even if packaged or sold with the product). Jem Accessories recommends that you use only authorized service providers for maintenance or repair. Unauthorized use of the Product or software can impair the Product's performance and may invalidate this Limited Warranty.
5. DISCLAIMER OF WARRANTIES Except as stated above in this limited warranty, and to the maximum extent permitted by applicable law, Jem Accessories disclaims all express, implied, and statutory warranties and conditions with respect to the product, including the implied warranties of merchantability and fitness for a particular purpose. To the maximum extent permitted by applicable law, Jem Accessories also limits the duration of any applicable implied warranties or conditions to the duration of this limited warranty.
6. LIMITATION OF DAMAGES In addition to the above warranty disclaimers, in no event will Jem Accessories be liable for any consequential, incidental, exemplary, or special damages, including any damages for lost data or lost profits, arising from or relating to this limited warranty or the product, and Jem Accessories's total cumulative liability arising from or related to this limited warranty or the product will not exceed the amount actually paid for the product by the original purchaser.
7. LIMITATION OF LIABILITY The Jem Accessories online services at monsterilluminessence.com ("services") provide you information ("product information") regarding your Jem Accessories products or other

peripherals connected to your products ("product peripherals"). The type of product peripherals that may be connected to your product may change from time to time. Without limiting the generality of the disclaimers above, all product information is provided for your convenience, "as is", and "as available". Jem Accessories does not represent, warrant, or guarantee that product information will be available, accurate, or reliable or that product information or use of the services or product will provide safety in your home. You use all product information, the services, and the product at your own discretion and risk. You will be solely responsible for (and Jem Accessories disclaims) any and all loss, liability, or damages, including to your wiring, fixtures, electricity, home, product, product peripherals, computer, mobile device, and all other items and pets in your home, resulting from your use of the product information, services, or product. Product information provided by the services is not intended as a substitute for direct means of obtaining the information. For example, a notification provided through the service is not intended as a substitute for audible and visible indications in the home and on the product, nor for a third party monitoring service that monitors alarm state.
8. YOUR RIGHTS AND THIS LIMITED WARRANTY This Limited Warranty gives you specific legal rights. You may also have other legal rights that vary by state, province, or jurisdiction. Likewise, some of the limitations in this Limited Warranty may not apply in certain states, provinces or jurisdictions. The terms of this Limited Warranty will apply to the extent permitted by applicable law. For a full description of your legal rights you should refer to the laws applicable in your jurisdiction and you may wish to contact a relevant consumer advisory service.
If you need to start a warranty claim for your Monster Smart device, please reach out to Customer Support by emailing customerservice@monsterilluminessence.com or calling our support number 866-246-2008.
Please allow 7-10 business days to process warranty claims. Customers located outside of U.S. will be responsible for all shipping costs.
